

- **We used to be popular, now we are unpopular**
- **Things that use to work don't seem to work now**
- **Stubbornness and refusal to change**
- **Rejection of differing opinions and new ideas**
- **Policies based on the whims of the minority**
- **Making statements we cannot backup**

- Inability to “pass on the reigns”
- Dichotomy of Opinion on the Product:  
*A product that garners both unwavering pride  
and embarrassment simultaneously*
