

District 9780 RYLA Committee

Vacancy

A vacancy exists for a Rotarian to serve on the District Rotary Youth Leadership Awards (RYLA) Committee. RYLA has been one of the marquee youth programs in District 9780 for more than 30 years.

Details of the process used by the District Committee to fill vacancies is detailed below.

Interested Rotarians are invited to submit an Expression of Interest to the District RYLA Secretary by 10 July 2020.

Expressions of interest should include:

- Brief details of Rotary service (including current Rotary Club)
- Brief details of interest/ past involvement in youth programs
- Anything else relevant

Send expressions of interest to:

Mr Chris Kinley, Secretary, District 9780 RYLA Committee

Committee Vacancies

Committee members are appointed for a 3 year term ending at the Committee's Annual General Meeting. With the endorsement of the Committee, members can be re-appointed for a second 3 year term.

At the end of 6 years Committee members positions are vacant unless, at that time, they are holding a leadership position on the Committee in which case their term on the Committee is extended until one year after their leadership role concludes.

Where a Committee members tenure concludes they may be reappointed for 12 months should there be no suitable expressions of interest from other Rotarians to join the Committee. Suitability includes the geographic area a prospective Committee member is located with the aim of ensuring a good geographic spread of Committee throughout the District.

Expressions of Interest are invited through the District Newsletter for Rotarians who may wish to be invited to join the District Committee. Appointments to the Committee occur at the time of the AGM unless a vacancy occurs during the year.

Expressions of Interest are considered by the District Committee taking into consideration:

- Existing vacancies (if any)
- Geographic location of existing Committee members
- Skills set of existing Committee members
- Rotary experience / commitment to youth programs
