

DEFYING THE DRIFT!

APPLICATION PACK 2022

THE PROGRAM

PART 1 Residential Course at **Longerenong College Horsham**, Tuesday 20
- Thursday 22 September, 2022.

PART 2 Presentation by each participant to their sponsoring Rotary Club after Part 1,
to be completed by the end of November 2022

APPLICATIONS - APPLY EARLY TO ENSURE A PLACE

Early bird closes 31 July. Final Closing date August 31 unless all places filled prior

To speak with a Rotary member before lodging an application use the
www.defyingthedrift.org online enquiry form or email enquiries@defyingthedrift.org

with contact details and a Rotary member will respond. Applicants will be notified
as soon as practical whether or not their application has been successful.

The Defying the drift Committee reserves the right to limit the number of applicants
per school if the program is oversubscribed.

COMPLETE APPLICATION FORM IN 4 STEPS

1 - Confirm Rotary Club Details

Contact your local Rotary Club to arrange sponsorship. Confirm that your Rotary
contact has a copy of *Defying the Drift Rotary Club Guide* which is included in the
DEFYING THE DRIFT 2022 APPLICATION PACK.

Sponsorship will include assistance with the course fee (see Note 3) and a meeting
date at which each student can make their *Presentation (see Note 1).

Ask the Rotary Club representative to:

- Record their contact details in PART 1, and
- Confirm a date for your Presentation.

2 - Confirm School Details

Show your Careers Teacher, Year Level Coordinator or other Teacher the *Defying the
Drift Teachers Guide*. Subject to the agreement of the School and Teacher, you may
be able to incorporate your Defying the Drift activities into a school project.

Ask your teacher to:

- Record their contact details in PART 1, and
- Provide a brief statement in support of your application in PART 2

3 - Provide Family Details and Consent

It is important to provide all of the following information:

- Complete BOTH the Student and the Parent/Guardian sections in PART 1
- Parents/Guardians to complete the PART 3 General Consent: Attendance &
Photography
- Parents/Guardians to complete the PART 4 Medical Consent

4 - Submit the Application and Payment

Email the completed application form (PARTS 1, 2, 3 and 4) and organise payment
(see Note 4) to the address below.

DEFYING THE DRIFT!

NOTES

1. Rotary Club Presentation

Ideally the date will be in October or November.

2. Sponsoring Rotary Club

Where students are unable to arrange a sponsoring Rotary Club, Defying the Drift organisers will assist in arranging sponsorship.

3. Course Fee \$350 per student. **Early Bird \$250 per student paid by July 31**

The cost to participate in Defying the Drift is subsidised by Sponsors and Longerenong College. A contribution towards these costs of \$350 is requested from each participant to assist with accommodation and all meals for the three day residential course at Longerenong College, tuition fees, farm visits, all course notes and a Defying the Drift polo shirt. It is recommended that students pay \$100 and the sponsoring Rotary Club contribute \$250, however, Clubs may elect to pay a different proportion of the fee.

4. Payment Arrangements

Students should pay their part-fee contribution to their sponsoring Rotary Club. Sponsor Clubs are requested to remit the full fee of \$350 per student (**or \$250 early Bird by 31 July**) to Defying the Drift:

by Direct Credit to :

Rotary Club of Beaufort Inc. Project Account (BBL)

BSB no: 633000 Account no: 135154466

Reference: Name and Sponsoring Rotary Club

Or if necessary, by cheque payable to the "Rotary Club of Beaufort", postal address Defying the Drift

c/o Rotary Club of Beaufort

PO Box 23 BEAUFORT VIC 3373

5. Submitting Application Forms

Email: enquiries@defyingthedrift.org

Emailed forms must be pdf files. Photographs and jpg files are not suitable.

Applications are assessed in order of receipt, so do not delay in forwarding completed applications

*If a local Rotary Club is not available Defying the Drift organisers will arrange for a nearby Rotary Club or similar organisation to provide a forum for a student's presentation.

- consent to my child receiving such medical or surgical attention as may be deemed necessary by a medical practitioner,

- administer such first aid as the supervisor may judge to be reasonably necessary.

Signed: _____ **Date:** ____/____/____

(circle one - Mother / Father / Guardian)

DEFYING THE DRIFT!

ROTARY CLUB GUIDE

Thank you for your Club's support of the Defying the Drift (DtD) program by sponsoring one or more students to take part. Defying the Drift is a Youth Service Program of Rotary District 9780. It is open to secondary students aged from 15- 17 studying at year 10 or 11 level. Some latitude applies in age and year level entry.

Since its inception in 2010 Defying the Drift has helped young people discover pathways through further education and work experience to great careers in agriculture.

It seeks to achieve this by providing guidance and experience in three key areas:

1. Discovering the breadth and depth of employment and lifestyle opportunities in agriculture
2. Communication skills in pursuit of personal and professional development and presentation
3. Building social and professional networks. The Program has two parts:
4. a three-day residential program at Longerenong College Horsham
5. a presentation by each participant to their sponsoring Rotary Club.

An important part of DtD is for students to show initiative in obtaining information and then approach people to assist their application and participation. Their key support network will include parents/guardians, Rotary Clubs and teachers. Supporting the student's efforts to negotiate successfully is highly encouraged.

It would be greatly appreciated if your Rotary Club could assist the student in the following ways.

Sponsorship Phase

1. The cost to attend is \$350 per student. **Early Bird \$250 paid by July 31.** Sponsoring Rotary Clubs are asked to assist participants by paying all or part of this fee according to their normal approach in facilitating Youth Service programs.

Application Phase

2. Assist student(s) where required to download an application form from www.defyingthedrift.org. In many cases students will already have this information when they approach a Rotary Club.
3. Confirm a date for the student(s) to make their DtD presentation at one of your Club's weekly meetings. If possible a date in October or November would be ideal. A DtD Committee Member will endeavour to attend.
4. Assist the student by completing details in the Rotary Club section of the application found at the bottom of page 3 of the DtD Application Form.
5. Submitting application Forms – Emailed applications must be pdf. Photographs and jpeg files are not suitable.

Program Residential Phase

6. Depending on COVID requirements in Sept, you may be invited to attend the final lunch session of DtD on Thursday 22 September 2022 to support your student's achievements and witness their chosen project commitments.

Final Presentation Phase

7. Support your student(s) to prepare and deliver their presentation to your Club.

If needed further advice can be obtained from a member of the DtD Committee. Please email us at enquiries@defyingthedrift.org and one of us will respond promptly.

Many thanks for your support!

Dale McIntyre, Chair Defying the Drift Committee

DEFYING THE DRIFT!

TEACHER'S GUIDE

Thank you for your support of this student's application to the Defying the Drift (DtD) program.

An important part of DtD is for students to show initiative in obtaining information and then approaching people to assist their application and participation. Their key network support will be from parents/guardians, Rotary Clubs and school teachers. Supporting the student's efforts to negotiate this successfully is highly encouraged.

It would be greatly appreciated if you could assist the student in the following ways;

Application Phase

1. Assist student/s where required to download an application form from www.defyingthedrift.org
2. Provide the student with a supporting statement in the relevant section of the application form. The content remains the teacher's decision and would be known by the student.
3. Emailed applications must be in pdf files. Photographs, jpeg/png files are not suitable.

Program Residential Phase

4. Depending on COVID requirements in Sept, you may be invited to attend the closing lunch session of DtD on Thursday 22 September to support your student's achievements and witness their chosen project commitments.

Final Presentation Phase

5. Assist student/s to prepare their final presentation using the detailed hand-out provided at the end of the residential program. Their presentation should be an oral presentation (with or without PowerPoint) and they should be prepared to answer questions from the audience.
6. Consider (where possible and appropriate) incorporating and evaluating the student's DtD presentation in lieu of an equivalent core curriculum assessment task in recognition of its learning value.
7. (Optional) Attend the student's presentation to their nominated Rotary Club. Rotary clubs generally invite parent/guardian(s) and teacher(s) to their meeting when students make their final presentation which is a program graduation requirement.

If needed further advice can be obtained through your local Rotary contact or email enquiries@defyingthedrift.org

Many thanks for your support!

Dale McIntyre, Chair Defying the Drift Committee
