

Meet & Greet -

*Mt. Everest Adventurer/Polio Campaigner/Rotarian **Ken Hutt**
Documentary Filmmaker **Joe Carter***

October is Polio Awareness Month and a GIANT month on the **Rotary** calendar.

That's why we're delighted to announce on behalf of the **Rotary Club of Geelong East** and **District 9780** a very special event to mark **World Polio Day**.

From **2pm** on **Sunday Oct. 23rd** at **Geelong West Town Hall** join us for an exclusive first-time screening of the feature-length documentary film [Fly From Everest](#) which follows the first ever attempt to fly a paraglider from Mt Everest in May this year, raising funds for Rotary's global End Polio Now campaign.

'**Fly From Everest**' tracks the steps of **Ken Hutt** - Rotarian, Paraglider pilot & former member of the NSW Police Rescue Squad as he takes on a massive task.

Journey with Ken from Berry NSW, through Geelong where he talks about polio with a friend, then see his training via the Great Ocean Road and beyond to Nepal and '*up that bloody hill!*'

See first-hand the dangers of Everest and Ken's breathtaking toughness. Follow along as this amazing expedition unfolds, *thanks to Joe Carter's brilliant and dramatic film work.*

Following the movie, we will have a *live streaming Q & A* session with **Ken Hutt & Joe Carter** introduced by polio survivor **Gary Newton** so come with your questions.

We will also have a special **African Afternoon Supper** prepared by the Somali & South Sudanese communities.

Please join us to help make this a HUGE afternoon in Geelong for **Rotary's Polio Eradication and Awareness efforts** by encouraging all members of your club to book NOW for this event.

Details:

Sunday Oct 23, 2022

Geelong West Town Hall

2pm
