

Swan Hill Region The Heart of the Murray

Swan Hill has matured into a modern city, but retains the heart of a country town. Rich in heritage and culture, the region is blessed with beautiful local produce, and natural wonders for you to explore.

Situated on the Murray River and Little Murray River, there are dining options galore and a diverse range of accommodation.

The Pioneer Settlement offers an interactive way to experience Australian history, the Swan Hill CBD is full of cafes and diverse shopping, while beautiful parkland along the Murray provides the perfect setting for a walk or picnic.

Just across the river is the world-class Murray Downs 18 hole golf course.

Swan Hill is home to two Rotary Clubs who are working together on the 2020 conference - Swan Hill Rotary Club and Swan Hill Sunrise Rotary Club.

We look forward to welcoming you in 2020.
