

Rotary Club of Alfredton

EnviroClub

BRONZE

- Rotary Centennial Park: Working bee was held where members of the community as well as members from the Rotary Club of Alfredton and Ballarat West worked in the park to plant trees, weed around the young trees.
- 400 reusable bags were purchased by the Rotary Club of Bali Ubud Sunset with funds donated by the Rotary Club of Alfredton to put food in for distribution to starving families in Northeastern Bali due to Covid.
- Commercial catering equipment repropoed and donated to Uniting Social Enterprise and Mental Health Unit.
- Donation of top computers from a health service.
- Environmental Challenge Competition -seeking and rewarding innovative environmental ideas from our community with two categories 1. School age 2. Open section.
- Container sent to Zimbabwe. This container was filled with recycled medical equipment, first aid equipment, and other supplies donated from hospitals.
- Mobility Aids: a Facebook page set up to redistribute equipment. We pick up and repair surplus medical equipment and work with Shannon's Bridge to help distribute to locals.
