

# Rotary Club of Port Fairy

**EnviroClub**

**BRONZE**

- Clean-up of Sea Scouts block Princess Street Port Fairy. The removal of an abandoned vehicle, cutting long grass and removal of rubbish to the tip. Arrangements for the on-going mowing of the grass have been made.
- A Recycling Guide was produced for Port Fairy and district. The Guide is on one A4 sheet and covers both the familiar yellow bin and a wide range of other household items that can be recycled elsewhere. Hard copies have been distributed and the Guide can be downloaded from our Club Runner site.
- Moyne Shire has installed new garden beds in Barclay Street Port Fairy as part of the reconstruction of the street. The Club has taken on the task of weeding and rubbish removal from the beds.
- The Club planted over 300 trees on the Port Fairy to Warrnambool Rail Trail. The trees were purchased with a Carbon Offset grant obtained from the Moyne Shire. The Club decided to make this its Rotary Centenary project and installed a centenary sign and bench adjacent to the plantation.
