

Rotary Club of Portland

Rotary Club of Portland has a strong environmental focus and is working to protect and support our local environment with collaborative projects.

- Visiting Heritage Listed Environment of Budj Bim as an environmental tour.
- Removing and reducing invasive Sea Spurge on our local beaches and cliff areas each Saturday monthly with Coastal cliffs Landcare group Portland
- Collecting recyclable bottle tops, bread tags and lids for "Lids for kids" cause.
- Collecting foreign coins to recover funds otherwise lost or stored for UNICEF.
- Removal of single use plastics from Rotary Food Van service.
