

# Rotary Club of Swan Hill

**EnviroClub**

**BRONZE**

- Actively initiating and supporting environmental projects since the club was formed in 1939
- Initiated Weed Warrior Program in 2013 to remove noxious Caltrop and Khaki weeds from public community places. Project continues today
- Release of Murray Cod and Golden Perch Fingerlings into River Murray annually since 2005 and ongoing
- Joint environment committee with RC Swan Hill Sunrise working with Council to develop a new lineal park along old water channel. The park now has grass, trees, solar lights, Rotary seats
