

Rotary Club of Terang

EnviroClub

BRONZE

- Growing and selling various gum trees to surrounding districts, shire and farmers, (approx. 50,000 trees)
- Joining forces with Disability Day Program Centre, Cooina, growing and selling gum trees for koalas. Gives the students great importance in their work and pride knowing what a difference they are making. Profits are shared with them, and valuable time and effort spent in connecting with the community as a whole

Rotary Club of Terang Native trees plants for sale. Proceeds to Rotary Projects. Plants for sale are:- Forest Red Gum, White Iron Bark and Red Ironbark - Cost \$2.00 per Plant.
