

Rotary Club of Torquay

- Torquay Rotary Club's Environment Committee meets every other month has several foci, recycling and reducing initiatives.
- Battery collection, over 900 kg collected.
- We are collecting plastic lids over 20kg collected. We have partnered with the group Lids4Kids and local cafes to prevent plastic waste going into landfill.
- Clothes are also collected by members and distributed to groups in need 50kg collected.
- Books are collected and sold to fundraise and prevent landfill.
- We have developed a member's private FB group to keep members updated with information pertaining to sustainable practices, environmental workshops or webinars.
