

Rotary Club of Highton

- Joint club pilot project with RC Geelong East recycling medication blister packs in ten pharmacies across Greater Geelong through Pharmacycle. Funded by a City of Greater Geelong Community Environment Grant.
- Joint project with four other local Rotary clubs running a series of workshops and tours promoting ways we can all make a difference to our environment. Highton led the Plant-based cooking class that was part of the series.
- Support Greater Geelong Lids4Kids through collection and sorting, member on Board, and financial support
- Funded tree planting by The Koala Clancy Foundation.
