

# Rotary Club of Torquay

## EnviroClub

**SILVER**

- In conjunction with Geelong, Highton, Geelong Central , Geelong West & Bayside Rotary Clubs , Torquay Club was instrumental in organising an Environment committee for Groups 9 & 10 and coordinated an Environmental dinner and Forum in June 2022 .
- The dinner was a choice of plant-based meal, and the forum was specifically designed to engage Rotary Clubs who needed ideas and support in getting their Clubs activated in the Environment space
- There were engaging displays from the Geelong Sustainability, Lids for Kids, Rotarians for Bees , Oz Fish with over 100 people given the opportunity to take away posters and other material for sharing amongst their Club members.
- Assistance with the Lorne P-12 Lawn on the Lorne Sustainable Environment event. Torquay Rotary provided financial support and volunteers to assist with this student led event. Over 600 students and teachers attended the event.
- Planting and revegetation support with Torquay and District Land care. Over 600 plants were planted in Paraparap, Freshwater Creek and Lake Modewarre. Relationships were fostered with Moriac and Bellbrae Primary schools.
