

# District Grants General Information

Rotary Year 2016-17

## District Grants

- Grant applications close promptly at close of Business, Friday April 14 2017.
- Grants will be considered and decided during April/May and approvals notified during June.
- The District grant limits for 2017 have been set at a minimum of \$300 and a maximum of \$3000 however these figures are currently under review and may increase.
- Applications for a grant must be matched (at least) by the same amount of Club funds.
- Multiple Clubs are allowed to jointly apply.
- Only Clubs that are 'Qualified' may apply.
- Approval for more than one club of up to the club grant limit is possible.
- Clubs that had delegates attend the Grants Seminar in October can be 'qualified' upon completion of the two MOU documents.
- Payment of grants funds will not be made until the formal final report upon completion of the project is received and approved and a reimbursement claim form is submitted.
- Grant application and other proforma are available via the District 9780 website

## Global Grants

- Global Grants also require Clubs to be 'qualified' however there is no formal closing date for these applications.
- Global Grants have much higher limits along with different criteria.
