71. **Edwards Club (D5470)** New to Rotary but I want to parlay our limited funds with grants while teamed with other US clubs, and say German/French clubs to do series of projects in Moldova (poor country but good clubs). A \$1,000 input with buy ins from 3/4 clubs could result in a \$10,000-15,000 activity. Also allows friendships to develop during personal travel to any of the clubs -- primarily working with health and education of orphans and other children. Must develop plan and sell to my club. Our friend raisers are limited to Turkey bowl (bowling), Duck Race and recently selling beer/hotdogs at sporting events. Need to do better -- but also need to have a purpose for the funds use.
