

## MILLIONS OF KIDS IN THE U.S. EXPERIENCE HOMELESSNESS

Every kid deserves to have their basic needs met. From a roof over their heads, food on the table, and a pair of shoes on their feet.

Soles4Souls partners with schools across the U.S. to get new athletic shoes to children who are experiencing homelessness, eliminating a barrier to educational and extracurricular opportunities.

### TOGETHER WE CAN PROVIDE NEW SHOES TO STUDENTS EXPERIENCING HOMELESSNESS:

27%

of kids experiencing homelessness miss school due to improper footwear.

75%

of school officials said new shoes were their biggest need right now.

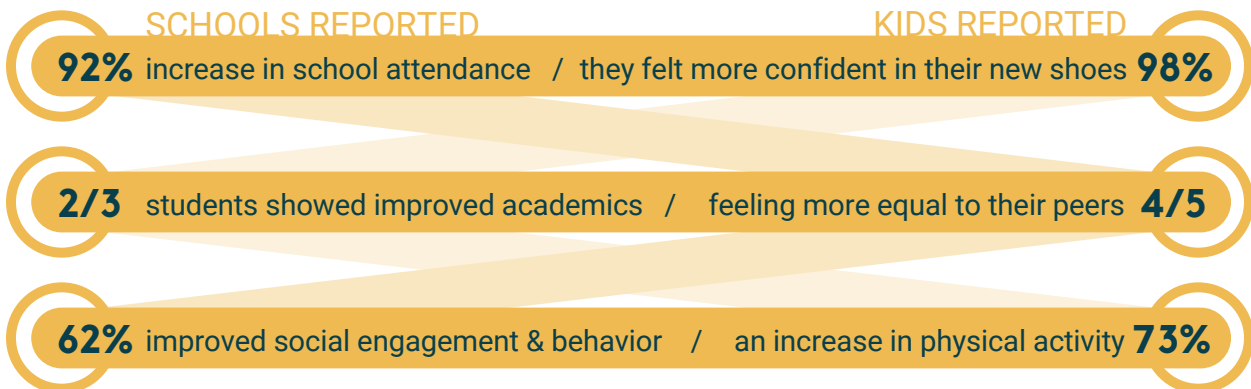

55%

of students expressed difficulty focusing in the classroom due to improper footwear.

### THE IMPACT:

With proper footwear, kids are more confident, feel a greater sense of belonging, and increase physical activity levels.

It is up to all of us to provide our community members with the basic needs they deserve. Be a part of the solution with us, providing a new pair of shoes to those who need it most.

Your donation can provide a new pair of shoes to a student in need. Support a child today at: [soles4souls.org/4everykid](https://soles4souls.org/4everykid)
