

Summer at the Rotary Club of Salem, Ohio

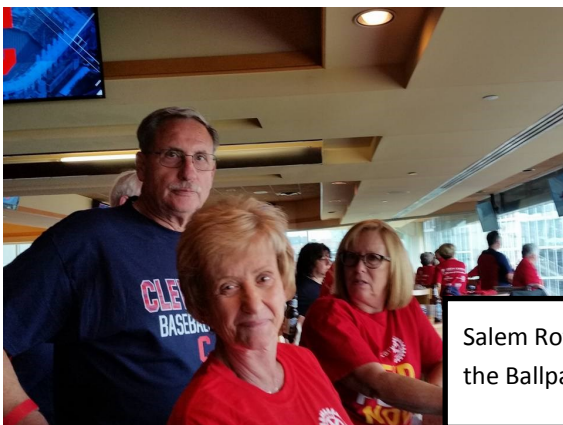

President Meta Cramer presents Past President Kelly Darney with her PP pin. The pin was late being presented due to unusual circumstances, first the pin was misplaced, and then Kelly was traveling, most recently to Iceland!

Salem Rotarians celebrated Summer by holding a picnic. The guys took advantage of the nice weather to show off their legs. Pictured l-r are: Ken Banet, PDG George Hays and PP Joe Sedzma.

The Rotoact Club for young adults at CCCTC, sponsored by the Salem Rotary, completed a literacy project in conjunction with the Salem Club. The club used literacy grant funds to purchase books to help support literacy in the Community. The books are to be distributed to all incoming Kindergarten students at their literacy night, the Rotoact club will help with the distribution. The books have the Rotary logo inside the cover. The Rotaract club pasted the bookplates in each book and then packed three books into a bag to be presented to the Kindergarten students.

Salem Rotarians and friends enjoyed a night at the Ballpark while benefitting Polio Plus.
