Please join us as we will have the honor of presenting the Inaugural Women in Rotary Award at this prestigious event!

Highlighting the event will be five guest speakers touching on specific topics with the goal of inspiring and helping women while on their journey in Rotary, and to help women become more involved in Rotary. These speakers include: Charlotte Ahlberg, Dean Rohrs, Jennifer Scott, Nick Karyacich and Sylvia Whitlock.

After all of the presentations are complete the presenters will serve on a panel and will be open for your questions.

After Q & A, we will have the opportunity to tour The Jimmy Carter Library and Museum. We will also see the special exhibit "Countdown to Zero" which is focused on the eradication of disease. The tour and the exhibit will be available to all attendees.

Amazing food, for the evening, will be provided by "Proof of the Pudding" and will entail some of the Carter Family favorites. The selections include: BBQ Pork with Peach Chutney, Fried Green Tomatoes, Farro & Kale Salad, Bourbon Pecan Pie Martinis and Rosalyn Carter's famous Strawberry Cake just to name a few!
