

## Rotary District 6650 2011-12 Award Summaries

### **Roland Luhman Award for Community Service**

This award is named for Roland Luhman, who joined the Youngstown Rotary in 1933, was its President in 1938 and the Governor of our district in 1941. This award focuses on a club project that adds to the quality of life in the community.

Winner                      Wooster

Runner up:    Salem

The Rotary club of Wooster is recognized for its outstanding community service efforts. The Wooster club initiated a joint club service project and program with the Kiwanis and Lion's club that not only fostered fellowship and offered a one-day fine arts program, but impacted many individuals in their community, especially those in greatest need including our emotionally challenged and children in the Children Service's system.

In addition to a one-day performing arts program, their combined efforts provided the seed money, manpower and donations to refurbish a non-clinical site for the local mental health coalition; provided the seed money, manpower and obtained donations to repaint the interior of the local Children's Services building and construct a safe, fenced-in playground for the children to utilize in warm weather.
