## THE NEWSLETTER OF ROTARY DISTRICT 7300

Including Allegheny, Beaver and Parts  
of Westmoreland Counties,  
Pennsylvania

Dear Rotary Friends:

Most of my returns from Rotary reside between my ears; however, business and personal opportunities just keep coming, seemingly out of nowhere. I blame it squarely on the focus of doing good things for others. When you focus on the needs of others, your needs seem to become less important.

This past summer and early fall, I gave 46 speeches to 46 Rotary Clubs in District 7300. My goal was to inspire Rotarians to realize they are getting more out of Rotary than they are putting into it. Each one started with a phrase similar to this: "The more you give (of yourself) to Rotary, the better life you will live." Try it!

District Governor Ward Garner

### POETS--Version PETS.2!

Mary Beth Growney Selene  
Rotary International Foundation Trustee  
Keynote Speaker

This year, the inclusion of other club officers and members in PETS (President Elect Training Seminar) was innovative and exciting. We called it POETS (President and

Officers Elect Training Seminar). If your club hasn't jumped on the POETS band wagon, by all means consider doing so next year. It's no secret that all things Rotary necessarily include some "administrivia." It makes sense that an organization with over 1.2 million members would have certain, unique ways of doing things. And, with our members' belonging to a District that has a Foundation (many Rotary Districts do not), we can all benefit from understanding how our District, resources, and all-important LEVERAGING, all work. ALL of the incoming club officers, not just the Presidents Elect, need all the help they can get with these "mores and folkways," and your dedicated district leaders are more than willing to help. So, if you didn't attend POETS this year, be sure not to miss it next year! See page 3 (inside) or tap into [www.rotarydistrict7300.org](http://www.rotarydistrict7300.org) and click on 2018 POETS, for more photos. 1

Incoming Presidents and Assistant Governors were given time to learn, network and discuss idea and goals for the 2018 -19 Rotary year.

Additional training on District Citations, Membership, Social Media and Fundraising will be provided as follow up on POETS programs in the upcoming months.

# Felicia Mycyk

## *Winning While Having Fun*

by Karl Ohrman

Felicia Mycyk is a Rotary tornado because of her many Rotary activities and leadership. She's also a coach, mother, entrepreneur, motivational speaker and a devoted community leader.

Felicia joined Rotary in 2011. Her Rotary activities include serving as a Club Vice-President, then serving as Ambridge Club President for two years. She has chaired several committees including the Annual Community-Wide Car Cruise and Unity Day. She is now the Public Image/Social Media Chair for District 7300. She's looking forward to her role as an incoming Assistant District Governor.

Felicia loves working with children. She heads up a youth program sponsored by the Ambridge Rotary Club that allows school-age children to have a free weekly activity throughout the summer. She started an EarlyAct Club in her local elementary school for

students to experience Rotary as early as Kindergarten. She helped the EarlyAct Club do a successful Shoes for Nicaragua project.

What Felicia loves most about Rotary is the ability to connect with people locally, nationally and internationally

just by being an active Rotarian. She regrets not having more time to devote to Rotary service. She is a Paul Harris Fellow.

Since 2006 Felicia has provided consulting services helping businesses, organizations and communities focus on goals, not tasks, in their pursuit of success. She also does motivational speaking and facilitates a workshop for others to set a plan and move forward with their decisions.

First Step to Creating Your Playbook, D.E.C.I.D.E.

Felicia Mycyk

Felicia tirelessly works to engage her local community, Ambridge, in a meaningful way by changing its conversation and perception. Through her work in the community, she pulled a team together to create Ambridge Connection, a community resource that promotes civic engagement. She

loves to write stories, produce videos, and provide live coverage for local happenings that matter to her community.

Felicia is a sports Wonder Woman. She played football for the Pittsburgh Passion as a starting cornerback. She

coached competition cheerleading, varsity track, various football camps as well as high school and youth football. She now serves as a football coach for Moon Area

School District. She also provides one on one speed and agility coaching focusing on multi-directional speed.

A former Girl Scout board member and troop leader, Felicia served on various boards throughout the region including Leaders Serving Beaver County and Laughlin Memorial Library.

She was recognized with the “Be the Change” award by the Pennsylvania Governor’s Conference for Women. She was honored for her leadership involvement as a coach at the Black History Achievement Award Banquet.

Felicia was recently selected as one of the “40 Under 40” to participate in the Legacy Zone Young Professionals Summit in Cleveland.

Felicia spends as much time as possible with her husband, Nathaniel, and their four children. She and Nathaniel first met while in elementary school. She moved out of Ambridge for a while and when she returned, they started dating.

As an entrepreneur, a mother of four and wife, Felicia had to figure out how to balance her energy. She loves to share her experience

to help  
empower  
and inspire  
others to  
move to the  
next level of their lives.

Felicia believes that most great achievements are combined efforts doing daily habits and accomplishments. She loves helping others win by inches with play-by-play victories. She finds this calming and relaxing.

What a wonderful role model for all of us to emulate.

# White Oak Rotary to help Bahamian school damaged by hurricane

**A spaghetti dinner fundraiser is set for Feb. 25 at Norwin High School.**

*By JEFF STITT [reprinted courtesy of the Mon Valley Independent, 8 February 2018]*

AP In this photo, taken before the hurricane season, students from the L.N. Coakley High School get ready for physical education class as they do warm-ups at the track and field facility.

The White Oak Rotary Club is raising money to benefit a school in the Bahamas affected by hurricanes over the past year.

The club is dedicating its annual international project to the L.N. Coakley High School in Moss Town, Great Exuma.

The school's running track was in bad shape before the storms, but now is unsafe to use.

The club is working with the Jamaica-based Sandals Foundation, which provides money for education, the environment and communities in the Caribbean.

The foundation has worked to improve L.N. Coakley since 2010.

The White Oak Rotary is joining with Norwin School District teacher Ryan Lynn to sponsor a spaghetti dinner fundraiser 2 to 6 p.m. Feb. 25 in the high school cafeteria. Tickets are \$5 and are available from White Oak Rotarians, at Ziebart of McKeesport and Twin Oaks Lounge in White Oak or online at [www.whiteoakrotary.com/Stories/spaghetti-dinner-fundraiser](http://www.whiteoakrotary.com/Stories/spaghetti-dinner-fundraiser). "We do something for another country around the world every year, but I think this one is pretty special," Rotary President Dan Dougherty said.

"These kids, and really the whole community, use the track, and it's a shame that it's in disrepair.

"We want to help rebuild it because it is important to the

" people there.

He said each year the school sponsors a track and field meet at the facility and invites teams from neighboring islands.

"The way it is, they're having trouble doing that," Dougherty said of the track. The dinner is an easy and rewarding way for people to get involved, he said.

"I think sometimes people see stuff like this, and they feel bad and they want to help, but they feel like they can't or they can't afford it," Dougherty said. "With this, it's easier and affordable. For \$5, you get to eat and do something good, and most people can afford a \$5 meal." The ticket includes spaghetti, meatball, salad and a beverage. The event will include basket raffles, a gift basket auction and 50/50 raffles.

Dougherty said the club is selling advertising space on place mats. To advertise, go to Ziebart and talk to Dougherty.

Much of the money for the track project will be covered by grant funding. Part of the money raised by the Rotary will be used for application fees for additional grants.

Dougherty said the project might take two years to complete.

ROTARY DISTRICT 7300  
DISTRICT CONFERENCE  
May 17-20, 2018

TO: District 7300 Presidents/Assistant Governors

RE: District Conference Ad Book

This year's District Conference is slowly creeping up on us. It is scheduled for Seven Springs Mountain Resort on May 17-20, 2018. Plans are well underway and the registration form was posted in February.

As in the past, there will not be a registration fee so we are trying to cover some expenses by selling advertising in the program book. We are asking all clubs to consider a \$100 full page ad in the book. We are also encouraging individual Rotarians and businesses to support the Conference by placing an ad in the program book.

In addition, we have decided to reinstate our "First Time Attendee" promotional campaign. This program will provide a "first time" Rotarian attendee staying overnight, one night, a \$52.00 credit towards a Friday or Saturday night dinner. Ad sponsorships will also help to defer this cost.

Please send checks (payable to Rotary District 7300) and camera ready art work to:
