Project Overview

Tell us a little about your project. What are the main objectives of the project, and who will benefit from it?

In Uganda, 70 percent of healthcare resources are spent on the 30 percent who live in the urban areas. Rotary Family Health Days (RFHDs), now in its 8th year, reaches out to 90 sites nationwide, most of them rural. Each Spring, ~100,000 patients are screened/tested for disease, educated, and treated over a 1-3 day weekend. Due to patient demand, RFHDs are now offered also in the Fall. Rotarians raise the resources, mobilize healthcare professionals and patients, construct and staff the sites. This year we will fully implement a new service at four sites, addressing the psychological health needs of women. Eventually, these "Women's Interests" booths will be offered in all sites, and likely offered in other African countries and India as well. This GG has three main objectives: 1. Support for Family Health Days, 2. Implement "Women's Interests" booths at RFHDs, and 3. Equip a RFHD host healthcare center.

Did you use competitive bidding to select vendors?

Yes

Please provide an operations and maintenance plan for the equipment or materials you anticipate purchasing for this project. This plan should include who will operate and maintain the equipment and how they will be trained.

The Nakayonza Healthcare Center, under the auspices of the Uganda MOH, will operate and maintain the equipment. Vendors' bids have specified the commitment to train onsite healthcare center staff on the use and maintenance of the equipment.

Describe how community members will maintain the equipment after grant-funded activities conclude. Will replacement parts be available?

See previous response. Nakayonza HC Center has committed to a budget allocation for equipment maintenance.

If the grant will be used to purchase any equipment, will the equipment be culturally appropriate and conform to the community's technology standards?

Yes

Please explain.

Equipment to be purchase conforms with MOH standards, and is in use at other HC centers which have funding to meet these basic needs.

After the project is completed, who will own the items purchased by grant funds? No items may be owned by a Rotary district, club, or member.
