

Possible Tucson Sunrise and Kino Rotary Club Project

Background: The Tucson Sunrise and the Kino Clubs have been working together to deliver backpack to the homeless Vets in our community filled with hygiene products. Last year we took them to the VA hospital.

This year we have been working with the "Veterans Rescue Mission' for the delivery of the backpacks. We will be delivering them to the Vets Homeless camps.

Today, Jon McLane from the Mission asked me the following:

"With the knowledge and experience base of Rotary could we set up a series of training (awareness?) to help the Vets?

What type of training?

Not limited to, but something like

- a. Money Management
- b. Conflict Resolution
- c. CPR
- d. Mediation
- e. How to prepare for and find employment
- f. Unlocking/Exploring your Potential - Skills assessment, help them to identify things they like to do and feel they are good at.
- g. Legal counseling

The list could go on and on"

It could be a monthly 2 hr class presented by Rotary Volunteers.

No rules, guidelines yet .. to be defined by the volunteers.

We would be setting up a sustaining level of support for the homeless Vets.

We have the following request:

What other ideas for these sessions would be of value?

Would you be willing to support a class?

Please email responses to rwnaylor@comcast.net
