

**Naomi Luan-Fong Lin**

**Director 2024-26**

**Rotary Club of Taipei Lily  
Taiwan**

Naomi Luan-Fong Lin is general manager of Lite-Puter Enterprise Co. Ltd., a leading brand of energy-saving lighting control systems she established in 1978. The company manufactures and distributes products such as dimmers for hotels, shopping malls, and museums in more than 60 countries. It has earned numerous awards, including the Good Design Award and the PLASA Award for Product

Excellence.

A speaker of four languages (Mandarin, Taiwanese Hokkien, English, and Japanese), Lin holds bachelor's degrees in Japanese literature and international trade from Chinese Culture University in Taipei. She also earned academic credits in the master's program in business administration at National Taipei University and has served as president of the alumni association of its Department of Business Administration. Lin served as president of the Northern District Fellowship for the Council for Industrial and Commercial Development. Her professional recognition includes the Model of Chinese Youth Entrepreneurs Award and the Taiwan Excellence Award.

Lin joined Rotary in 2004 as the first president of the Rotary Club of Taipei Lily. She enjoys mentoring new members and clubs as well as organizing fundraisers for Rotary. Working with seven districts, she helped organize an End Polio Cycling Tour in Taiwan that raised more than US\$271,000 for The Rotary Foundation and the PolioPlus Fund. As district governor, Lin helped establish 17 Rotary clubs and 16 satellite clubs, welcoming 565 new members. That year, she also led her district in raising US\$1.5 million for The Rotary Foundation.

She has served in senior leadership roles in the Taiwan Rotary Clubs Association and the Taiwan Rotary Council of Past Governors. She has also been active in Rotary internationally in numerous roles, including as RI president's representative, assistant regional Rotary Foundation coordinator, assistant Rotary coordinator, Peace Major Gifts Initiative Committee member, endowment/major gifts adviser, and Rotary institute vice chair and convener.

Lin says one of her most fulfilling assignments in Rotary so far was serving as endowment/major gifts adviser for Zone 9. “This role allowed me to contribute to Rotary’s global initiatives and work closely with leaders from diverse backgrounds,” she says.

In her leisure time, Lin is an avid reader and walker.

Lin has received the Service Above Self Award. She and her husband, Louis Hsu Kun-Pai, a past district governor, support The Rotary Foundation as Arch Klumph Society members and Major Donors.

## Mandy Fabel, Lander Rotary Club

Keynote speaker Mandy Fabel will kick off the conference on Friday morning, June 13<sup>th</sup>, with her message “Rooted & Reaching: Leading with Curiosity in a Changing World.” This is a topic so relevant and important in these times of change and leadership challenges. Mandy will explore how we honor long-standing traditions while also embracing new experiences. Can we stay grounded in who we are and still make space to grow? What would it look like if wonder and openness set the table at our Rotary clubs?

In this engaging session, join Mandy as she explores these questions through powerful stories and leadership lessons. Discover how taking responsibility for your own growth can inspire transformation within your club and community—and how curiosity can be a powerful tool for connection in times of change.

Mandy Fabel serves as the Executive Director of Leadership Wyoming. Leadership Wyoming is the premier professional development organization in the state, with nearly 1,000 graduates across the state. She received her MBA from the University of Wyoming in 2010, and has worked in the nonprofit sector (including the *Wyoming Community Foundation*) as well as in small business (*High Mark Strategies*, a marketing consulting firm, and *Granola & Gasoline*, a lifestyle business). In her free time, Mandy enjoys just about any outdoor activity from rock climbing and mountain biking to dirt biking and snowmobiling. She is grateful for the wide open landscape and meaningful relationships that are so prevalent in Wyoming.
