

Governor's Citation 2016-2017

The criteria for this citation complement the focus and goals as determined by Rotary International President John Germ. I encourage all clubs to strive to obtain both the Governor's Citation and the Presidential Citation.

Our goals for 2016-2017 include helping strengthen clubs in 4 primary areas, including membership attraction and engagement, strong support for the Rotary Foundation, humanitarian service and the development of leaders.

Obtaining this award will help create an active, engaged club of Rotarians doing good in the community and around the world.
