

Rotary Club of Teton Valley, District 5440 Join us for lunch at Tony's Pizza in Driggs Wednesday's at noon!

How often do I need to attend? In order to have active clubs, Rotary asks members to attend 60% of their meetings with at least 50% of the required meetings at the home club (the other 50% can be make up meetings). Help us meet our club attendance goal by coming every week!

What if I miss a meeting? No problem! Up to 14 days before and after missing a meeting, you can make up your meeting by attending another Rotary meeting, committee meeting, board meeting, or online (see back for details).

Easy and Fun Way to Make Up Meetings!

Short on time? Try Rotary's eClub ~ Visit www.rotary-eclubone.org for an informative and easy way to make up a missed meeting.

Out of town? Visit the club locator on Rotary.org to find out when and where other Rotary clubs meet. When visiting ask for a make up card from the club's secretary.

Up for some fun? Contribute at least 30 minutes to a club project to count toward attendance.

Want to learn more about Rotary? All members are welcome to attend board meetings, and they count toward attendance. Committee meetings held outside of normal Rotary meetings can also count as a make up.
