

The Be's

A Focus on the Expectations of Rotary Youth Exchange

With grateful appreciation to our friends
in D5370 Canada – creators of The Be's!

Purpose of the Be's

- To provide problem-solving tools
- To establish behavior standards
- To allow students to develop positive objectives for their year
- To provide focus and direction

What is the Role of a Rotary Youth Exchange Student?

- To be an outstanding ambassador

This is my experience.
Many have been here before
And many will follow –
But this time is mine.

My journey will present
Numerous doors to
Unlimited opportunities.

Some of these doors will be open,
Some will be closed.

But one thing I know for certain,
The key to all doors lies within.
