Thank You for giving and supporting the Rotary Club of Fort Worth Stockyards and our charitable endeavors in our community

Rotary Club of Fort Worth Stockyards and Cowboy Church Fort Worth Stockyards are pleased to invite you to participate in the upcoming 5th Annual Sporting Clay Shoot benefiting Fort Worth Police Department's Neighborhood Police Officers and Rotary Club of Fort Worth Stockyards educational scholarships. This will be a fun event that will take place on Saturday June 1st, 2019 at the Defender Outdoor Clay Ranch facility located at 8270 Aledo Rd, Fort Worth, TX 76126.

There are a number of ways you can be a part of this worthy event.

- Sponsorship
- Team Participation
- Donate items for Sporting Clay Goodie Bags
- Donate items for Silent Auction

It is our hope that you will take the opportunity to participate in all of these.

Rotary Club of Fort Worth Stockyards provides support to the local community in the form of providing full scholarships to Tarrant County College. This comes in the form of a partnership with the Tarrant County College Foundation. The Rotary Club provides the first year tuition and the Foundation provides the second year with the stipulation that the student remains in good standing and maintains a 3.0 GPA.

Another support provided is for the Neighborhood Police Officers. Too many times the Officer encounters a needy situation where they often provide a solution out of their own pocket. The Club thought they should be supported on this effort. Therefore, the Club maintains a credit at a local Target Store. When the officer sees a family that has lost items from fire or theft or when a family needs an approved child car seat, he can take them to Target and purchase that for them. This helps the families as well as creating goodwill between the community and Neighborhood Police.

The only way the Club can continue to provide these benefits is through our fundraising events. We would be honored to have your support.

If you have questions, please feel free to contact Club President Richard McHargue at 817-905-8660 or by email at rpm929@gmail.com.

We look forward to this event and hope you will join us.

Sincerely,

Richard McHargue
