District 5790

Rotary

District 5790

Join members of our 74 Rotary Clubs in helping treat community members inflicted with the Covid 19 virus with Convalescent Plasma

The Antibodies of COVID-19 survivors are needed to treat the North Central Plains area patients struggling to recover from the virus.

600 units per day are needed

Encourage everyone your know that has recovered from Covid 19 to go to one of the CarterBloodCare Centers to donate their plasma
