Fellow Rotarians of District 5790

“A better world shall emerge based on faith and understanding”.

General Douglas McArthur

1.3 billion people around the world live on less than US\$1 a day and that 10 million children die each year before they reach their fifth birthday due to extreme poverty. Figures like these lead Rotarians all over the world to nurture the education, nutrition, health, and social development of children all around the world. We also provide clean water and sanitation to villages throughout the world.

Although many Rotarians travel to have hand on experiences to meet humanitarian needs, the majority of us are given the privilege to provide assistance through our contributions to the Rotary Foundation.

This month is dedicated to world understanding and peace. We will be holding our District Foundation Gala on February 10, when Rotarians from all over our district will come to participate in the work of Rotary. Our guest of honor is Rotary International President Kalyan Banerjee and his wife Binota. We will have great food, fellowship, learn more about the impact that Rotary has on the world and have an opportunity to be part of making our world a better place for all. We are simple Rotarians, but I believe that we can make a difference by doing our share, no matter how small that may be.

Those living in extreme poverty live with no hope in their hearts; they have no voice in their destiny or the ability to determine their future.

It’s up to Rotary to make a difference in the existence of extreme poverty, Rotarians’ actions are a perfect example of how the power of one can work, changing the life of one child, one community, one village at a time.

District Assembly is just around the corner.

Just a quick reminder. The Assembly is all about **training!**

And attendance is for **all** Rotarians - new members, long standing members, 2012-2013 Club Secretaries and Club Treasurers, Club Officers, Board members and Club Chairs.

The district assembly prepares incoming club leaders for their year in office. The meeting is also an opportunity for club members to meet with district leaders (the district governor-elect, incoming assistant governors, and district committees) who will support club projects and activities. Six specific training tracks will be offered to all Rotarians throughout the district.

Fun, food, and fellowship for just \$18.00 per person!

**Register now and save the date-April 21st.**

# A Celebration of Champions

**Rotary District 5790 District  
Conference**

**May 18-19, 2012**

**Fort Worth Sheraton Hotel  
and Spa**

Greetings Rotarians,

We have already begun planning for your 2012 District Conference where we will be celebrating our Rotary Champions. I am excited to have this opportunity to honor you and the work of your clubs. Mark your calendars now to attend and share in our celebration of Rotary District 5790!

## “PEACE FELLOWS UPDATE CODY GRIGGERS”

Cody Griggers is a Peace Fellows studying in Australia.

[Codysg@gmail.com](mailto:Codysg@gmail.com)

Greetings from Singapore, where the Chinese year of the Dragon is off to a rollicking start!

Along with the new year, I am also beginning the final month of my internship with the Asia-Pacific regional office of the Centre for Humanitarian Dialogue. Needless to say, even just sitting here surrounded by people working on the ground in both high-level and grassroots peace negotiations across Asia has been a learning experience far exceeding anything I could have ever gotten in a classroom.

With the HD Centre Asia staff

Because much of what the HD Centre does must be kept confidential due to the sensitive nature of the ‘live’ peace processes in which we are involved, it is actually a bit hard to talk about what exactly goes on. But for my part, one of my biggest projects during my time has been working with a team of experts from Asia, Australia, the US and Europe on an in-depth report examining Asia-Pacific peace agreements for the degree to which they include women and gender issues. A quick summary: they don’t. Unfortunately, this comes as no surprise when you learn that out of 21 major peace processes since 1992, only around 2% of the participants have been women. Women may make up half the population, may be heads of their households, may be the most vocal activists for peace, and sadly, may suffer disproportionately as victims of rape and other war atrocities. However, they continue to be left out of peace processes, which ironically give much more attention to men with guns than women with ideas.

Visiting Angkor Wat, Cambodia

So, my work here at HD has been an effort to change that. With our organization’s deep networks of active conflict negotiators, we are in a good position to exert some influence that just might make a difference. Our report will make some tangible recommendations on how peace agreements can be more inclusive of women and their concerns – which turn out to be concerns that affect everyone in a community, be they about livelihood, safety, access to resources or participation in local government.

These past few months have also been filled with travel around Asia, with a trip to Bangkok to participate in the Asia-Pacific Mediation Leadership Summit, which was a wonderful opportunity to network as well as to share some of my own growing expertise in some of the panel discussions. I also visited Cambodia to learn about the past genocide and the current UN war crimes tribunal that is now taking place. And finally, I just wrapped up a brief trip to the UNESCO World Heritage City of Malacca in Malaysia. I’ll be back in Brisbane for my final semester at UQ next month, but for now, I’m soaking up every moment of this amazing experience!

## “ROTARY INTERNATIONAL’S PUBLIC AWARENESS INITIATIVE”

Doug Newsom is District Chair—Public Relations for District 5790.

She can be reached by e-mail at: [doug.n@att.net](mailto:doug.n@att.net)

Although Rotary has high name recognition, not many people, especially in the USA, really know what today’s Rotary does and is. To correct that, Rotary International established grants for districts that are different from Foundation grants. These are public relations grants, and Rotary Public Image Coordinators (RPIC) have been appointed to help districts design programs that can be funded by these grants.

Dr. Sarah Maben, assistant RPIC, and I are responsible for Area 21B, which includes nine of the ten districts in Texas. This year, five of those nine received such grants, including our district. Taking District Governor Sharron Miles’ idea of champions, District 5790 and District 5810, DG Charles “Bud” McBryer received a multi-district grant to take advantage of the power of the DFW media market. You’ll see this at work soon. The preliminary step is to measure public opinion about Rotary before the campaign and afterward. RI wants reliable metrics used to measure the effects of the grants and other efforts to create understanding of Rotary’s work.

Another charge from Rotary International is to be sure that every district and every club in each district has a public relations chair. All nine districts in Area 21B now have a public relations chair, but not all of the clubs do. To help them the RPICs travel to areas and give workshops to assist clubs and districts.

Rotary International sees the grants as support for Rotary’s strategic plan to tell Rotary’s story, maximize limited funding and mobilize districts, clubs and Rotary members. In 2012, the application date for grants has been moved up to March 4 to give a longer time for campaigns after awards are granted.

Assisting the awareness process at the national level, RI is examining the revitalization of the Rotary “brand.” There are so many versions of Rotary’s various activities, each with its own symbol, that the image of the central organization has become fuzzy.

RI has now completed phase one of six phases for this revitalization. This was the research phase. For assistance to RI’s PR staff, the firm of Siegel+Gale was hired and has now completed Phase One at the international level. Phase Two will consider brand strategy and messaging. Members are involved the process will continue to be. Postings are on the RI website, the latest being from RI Marketing Manager Paul Hydzik and Cynthia Palmer-Kenzer, Public Relations Grants Specialist.

## "ROTARY ALUMNI ASSOCIATION OF DISTRICT 5790"

Chris McLucas is President of the District 5790 Alumni Association. He is also Assistant Governor and member of Arlington Sunrise Rotary Club.

He can be reached by e-mail at:

[Chris.mclucas@yahoo.com](mailto:Chris.mclucas@yahoo.com)

PDG Janet Holland, Rotary Foundation Alumni Coordinator Zone 21B-27, accepted the challenge to establish an Alumni Association for District 5790. On November 3, 2011 The Rotary Foundation notified PDG Janet that our Association was chartered.

Associate members are included in the membership in addition to the Foundation Alumni. These associate members are Rotarians who have paid their own way to participate in Rotary service internationally, such as delivering wheelchairs, water projects, and NIDs. These projects can be sponsored by the districts or clubs in the district. Rotaracters are also eligible to be associate members.

The third type of membership is for non-resident Alumni who were sponsored by the District for their Foundation program but are now living outside the district. This membership gives those who want to stay in touch a way to be involved while living elsewhere.

The purposes of The Rotary Alumni Association of District 5790 are to:

- a) provide support for Rotary International (RI) and The Rotary Foundation (TRF) programs;
- b) provide presentations and programs for Rotary and the district as well as relevant non-Rotary groups in the district;
- c) participate on service projects with clubs and the district;
- d) provide fellowship and networking opportunities for the Association members;
- e) be a source of members for Rotary clubs and financial support for TRF programs;
- f) assist in creating and sustaining international good will;
- g) instill a sense of pride in and identification with an outstanding group of men and women.

The charter certificate will be presented to officers at the Foundation Dinner February 10<sup>th</sup>. Plans are underway for a fundraising event, the Spring multi-district GSE/Alumni event, and the annual meeting which will be held in conjunction with the District Conference. The Association will also partner with District events such as the End Polio Now Night at the Ballpark and the GSE/Alumni reunions each year.

Officers are President Chris McLucas, Vice-President Juliana Felts, Secretary and District Alumni Chairman Reyna Castillo, and Treasurer Lilian Rosales.

## "4 WAY TEST SPEECH CONTEST" "It's Good News!"

Mike Pope is District Chair— 4 Way Test Speech Contest.

He can be reached by e-mail at:

[mpope@firstunitedbank.com](mailto:mpope@firstunitedbank.com)

We've all heard the "good news – bad news" lines, right? Well, when it comes to the Rotary District 5790 Four Way Test Speech Contest, it's all GOOD NEWS!

Clubs are jumping on the band wagon and promoting the contest with their local schools. 31 of our clubs have registered with Club Participation forms this year. That's a 50% increase over 2011 and that's because some clubs are hosting a contest for the first time this year, some are hosting one again after having taken a year or more away from the contest, and some clubs are die hard, "every single year this is a priority" for the contest. I don't have figures on which club has held the contest the most years consecutively but I know some don't even question whether they're doing it. They know they are.

So between now and the middle of March there will be a lot of club programs dedicated to the Four Way Test Speech Contest. A few clubs hold theirs at a different time and location from their club meetings, like at the high school or at their City Hall. There's a lot of flexibility with this contest. As long as the contest rules are followed, where and when are less significant factors (provided they're completed prior to the March 31 Regional Contests).

Anybody who has ever heard a group of high school students give their 5 minute speeches on "What the Four Way Test Means To Me" knows that those 24 words have far greater significance than mere words recited at a Rotary Club meeting. And the speech contest introduces students, their family and school faculty, to the guiding principles of the test.

Imagine a class full of students challenged to be the 4 or 5 who get to go to a Rotary meeting to compete for cash prizes. Now that classroom learns about the Four Way Test. Then they hear speech after speech, maybe a dozen or more competing for those 4 or 5 slots. Some speeches are very good, some are pretty good, and some are not so good, about the significance of that Four Way Test in the students' lives. Those students are practicing their speeches at home in front of their parents, grand parents and siblings . . . likely anybody willing to sit still and listen for 5 minutes. All those people hear about the Four Way Test. And I'm betting some lives are changed, just from being introduced to words we Rotarians see on a blue and gold banner and recite every week from memory.

The Four Way Test is not merely 24 little words. No. The Four Way Test is a set of life changing ethical principles that should be shared with the masses. So if your club is not hosting a Four Way Test Speech Contest this year, why not find a club near you that is. Then do a make-up so you can see what it means to these kids. Then next year you can champion holding a Four Way Test Speech Contest in your club too. Your club members will love it. Your local high school will love it. And those student contestants will grow in knowledge, understanding and ability as they offer us speeches written from their hearts.

# WESTERN FORT WORTH ROTARY CLUB "Celebrating 60 Years!"

AZ Rowland is Executive Secretary of Western Fort Worth Rotary Club.

He can be reached by email at: [azle@sbcglobal.net](mailto:azle@sbcglobal.net)

The Rotary Club of Western Fort Worth will soon be celebrating 60 years of service to our community on the west side of town – chartered May 13, 1952. We have been involved in international service, helping to build a water well in Kenya, and helping provide for a hospital in Budapest, among other things. We have hosted the Group Study Exchange Team on several occasions, the latest being a year or so ago for the team from India.

In addition to our long tenure as a Rotary Club, last April our club celebrated the 40<sup>th</sup> anniversary of Executive Secretary, A.Z. Rowland, Jr., having begun his work with WFW in April 1971. Many past district governors and presidents of our club during the years were present. PDG Dave Mason awarded A.Z. as a "Master Rotary Builder", a special honor to the recipient. The Rotary Builder Award was inaugurated by PDG Dave during his term as Governor of 5790.

PDG Dave Mason awarded A.Z. as a "Master Rotary Builder", a special honor to the recipient. The Rotary Builder Award was inaugurated by PDG Dave during his term as Governor of 5790.

Our club continues to be involved with the Salvation Army Angel Tree Project just prior to the Christmas season. We man the booth at Ridgmar Mall each weekend for about six weeks.

Another project with which our club has been involved for the past six years has been Kid's Club. The first Thursday of each month at Ridgmar Mall we sponsor this event. Children come and paint canvasses (often making a donation to our club). These canvasses are then pasted on the wall outside Macy's Department Store. Over 900 such canvasses have been completed thus far. Unfortunately, the mall leased the space behind "the wall", so they are seeking another location in the mall for our canvas paintings.

We are excited about an upcoming fundraiser. The seven local clubs in Fort Worth (along with the Rotary Club of Azle) will be hosting a Wine Tasting at the T&P station in downtown Fort Worth this April. Each club will provide a wine vendor, along with a restaurateur. Each club also will bring a raffle item for an auction. Proceeds will benefit each of the clubs, as well as PolioPlus.

## WESTERN FORT WORTH ROTARY CLUB *"Celebrating 60 Years, Con't"*

We are happy to report that the Interact/AHHS club has been revitalized. A new faculty liaison, Cody Cox, has begun his work with the students this year. The president of Interact is Jonathan Price, with Marissa Robles as vice-president. They are going great guns and having a wonderful time. Over \$700 was raised by the club by placing containers in each of the classrooms at Arlington Heights High School for loose change and bills. These funds were sent to PolioPlus. The club is also having bi-weekly meetings with a project of some kind each month. Some 35 students are involved at the moment.

The Freshman Committee at WFW has chosen to design and sell Polo shirts for PolioPlus. As part of the previous tradition the first \$1000 dollars will be donated to local charities of the committee's choice. The choice for the charity this year was for the Tarrant County Area Food Bank's Community Kitchen Culinary School. The \$1000 will provide knife sets to the students with perfect attendance in each of the three classes this year. This committee completed our first donation on 1/21/12 in which five students successfully had perfect attendance. The remainder of the proceeds at the end of the year will be donated to The Rotary Foundation's End Polio Now campaign. The cost of the shirts is \$40 with \$15 of that purchase being a donation. There are a variety of colors to choose from and we are selling both men's and women's designed polos. Our goal for sales is 100 polo shirts.

The Rotary Club of Western Fort Worth is strong and healthy. We welcome fellow Rotarians from around the district to join us for lunch and fellowship any Tuesday at noon.

## IN MEMORY OF BILL RAINEY, HUSBAND OF MYRA RAINEY

Myra Rainey, member of the Haskell Rotary Club, Monday, lost her husband Bill suddenly Monday, January 23rd.

Myra has been so involved in our District and in the Abilene and Haskell Clubs for many, many years.

Please keep Myra in your thoughts and prayers.

## HAVE SOMETHING TO SHARE???

Does your club have an upcoming event that you want to share with other Rotarians? Did you just complete a project or fundraiser? Let others in the district know!

Please send us a write up and pictures to include in the newsletter. See the contact information to the left.

## COMING IN THE MARCH NEWSLETTER...

You'll find articles about the District Conference, and the Assistant Governors will share what has happened with their clubs.

Arlington West, Breckenridge, Burleson Mid-Day, Crowell, Fort Worth North and Highland Village will let us know what is going on with their clubs.
