2010-2011 DG Paul Lucas

### Fellow Rotarians,

It has been an amazing year, and in a few days we will share and celebrate our experiences at the District Conference. During the conference we will take time to recognize your accomplishments, honor those who serve, and remember those we have lost.

### Rotary Foundation Goal Attainment

Early in the year, together we set several goals, and none was more important than the challenge of raising \$130,000 to help eradicate Polio from the World. Through the collective efforts of our clubs, you have already far surpassed that target and are now over \$150,000 and still climbing. As a result of your generous hearts and hard work, our district is currently leading the Zone in overall giving to the Rotary Foundation. With a good follow-through in meeting our EREY (Every Rotarian Every Year) commitments to the Annual Programs Fund, we stand a very good chance of retaining that top position as we finish the Rotary year June 30<sup>th</sup>.

However the real payback will be in knowing that each of us has played an essential role in ending Polio. This effort will save humanity from the plague of this crippling and killing disease for future generations.

### International Activity

Throughout the year our clubs and district have been heavily involved in International Programs. For the last several weeks activities have included our Group Study Exchange with New Zealand, the selection of Ambassadorial Scholars, Youth Exchange Orientations, and the Open World Program with a team visiting from the Ukraine. Your members have also been implementing humanitarian projects in several countries, and sending aid for disasters that have occurred internationally and across our own country. In the next few weeks we will be interviewing candidates for the World Peace Fellowship.

### Avenues of Service

The Avenues of Service in your clubs are far too robust with enthusiastic activities and achievements to be listed here. So we will rely on your club displays and presentations at the conference to relate and share some of the highlights. Thanks to your individual and collective efforts, all of your New Generations, Community, Club, International and Vocational Service programs are being woven together to create amazing tapestry of "Service above Self."

Thank you for all you are doing in Rotary Service,

*Paul*

## “PEACE FELLOWS UPDATE”

Cody Griggers has just begun as a Peacellows in the University of Queensland.

He is sponsored by the Dublin Rotary Club.

He can be reached by e-mail at:

[codysg@gmail.com](mailto:codysg@gmail.com)

G'day from Brisbane! After almost two years of anticipation, I am thrilled to be reporting now in the thick of my first semester here as a Peace Fellow at the University of Queensland.

Brisbane truly is a beautiful city—world class, richly diverse, yet always oh-so Aussie. For starters, it's the laughing kookaburra, not the rooster, that wakes you every morning. (You couldn't sleep through it if you tried.) And while Aussies like to barbecue as much as any Texan, hot dog buns are nowhere to be found. (A true Aussie just wraps wieners in plain white bread.) As for that juicy-looking steak? It's likely kangaroo—tastes just like venison, only a little more, well, “springy.”

But there are plenty of ways that Australia feels just like home —like Australia's national obsession with declaring themselves the “biggest” in everything, rivaling even Texans! I hear over and over again how the state of Queensland alone is twice the size of Texas. Or, how during the devastating recent floods, an area literally the size of Texas was underwater. And I get nothing but laughs when I mention a place I'd like to visit because it “looks close on the map,” only to learn that it's an 18-hour drive away.

Most impressive is how friendly everyone is—the way people make a point of saying “thank you” to the bus driver when they get off, the way the shop clerks greet you by name even if you've only been in once or twice, or the way every local Rotary club welcomes me as though I were an old friend, rather than a guest. Everything has such a small town feel to it, despite being a thriving city of two million. In that way, it feels just like home.

Needless to say, I'm enjoying every minute—including my newly undertaken studies in Peace and Conflict Resolution, attempting to learn Arabic, and bonding with my other Peace Fellows from around the world. This and more in future reports. Stay tuned!

## “VOCATIONAL SERVICE UPDATE”

Jim Giffin is District Chair, Vocational Service.

He can be reached by e-mail at:

[j1giffin@verizon.net](mailto:j1giffin@verizon.net)

Two major components of Vocational Service in our district are the Rotary International Teacher Exchange (RITE) and the Four-Way Test Speech Contest. Both of these are stalwarts of District 5790 programs. They have updates elsewhere in this newsletter.

There are many ways to work Vocational Service into your clubs programs and service projects. Clubs in smaller communities may want to enhance their service projects by collaborating with individuals, organizations, and Rotarian-sponsored groups that can offer their resources, expertise or simply their passion for serving a community in need.

Working with other organizations is a collaboration that can enhance a club's community involvement. Rotary clubs can partner at a local level with any organizations of their choosing. Such a partnership can help clubs:

- Make projects more sustainable.
- Gain access to technical or financial resources.
- Multiply the impact of a project locally, regionally, and internationally.
- Inspire community leaders to join Rotary upon invitation.
- Increase public awareness of Rotary club activities.

A few of the organizations you may want to look at are nationally organized youth groups—such as the Boy and Girl Scout units in your community, local youth sports associations, high school vocational clubs, and your city's parks and recreation department. All of these groups always need some help and guidance and can provide your club with a great opportunity to serve your community.

[Visit the RI website](#) for tips on how to work with other organizations.

## "BURLESON ROTARY CLUB" "Ukraine Delegation Visits Burleson"

Bobby Woolard is President, Burleson Rotary Club.

He can be reached by e-mail at:

[wol-lardtxbgw@aim.com](mailto:wol-lardtxbgw@aim.com)

They traveled 6,000 miles to get here from the Ukraine. Guests of the Burleson Rotary Club arrived at DFW International Airport weary but excited about their trip to Texas. For the next seven days the six Ukrainian delegates, representatives of Open World Program, were shuttled around Johnson and Tarrant Counties, visiting various civic and governmental organizations.

Open World Program matches Russian and Ukrainian leaders with counterparts in the United States. In the words of Dr. James Billington, Chair of the Open World Board of Trustees, the purpose of the visit is to introduce the foreign leaders to the "real America, with the net effect to strengthen the democratic process in their country."

A hand full of Burleson residents, all members of Burleson Rotary Clubs, opened their homes to the visitors, who for the most part spoke very little English, and certainly no Texan. With names like Victor Yevstakhiyovych Kimakovych, who is a director of a charitable foundation in his country, the Ukrainian visitors were paired with Burleson residents like "Mo" Baker, a retired Air Force Colonel and Vietnam POW, a member of the Burleson Area Midday Rotary Club. Although the names certainly seem to suggest a wide divide between two cultures, the hectic slate of activities planned over the coming week's visit melted away any perceived gap.

Sitting around the table in Jerry and Ginger Allen's dining room, the Burleson Rotary host committee planned and shaped the varied itinerary for the visit, which was made possible through the joint participation of Rotary International and Open World Program, with the Burleson Rotary Club being the American sponsor for the group. The Ukrainian delegation rested in Burleson homes in the evenings and met as a group during the day, as they visited selected area organizations.

The itinerary began with a visit with county officials in Cleburne, including Judge Roger Harmon, for a briefing on the basics of county government. After a tour of the Johnson County jail conducted by Sheriff Bob Alford, the group met with Commissioner John Matthews at the Precinct 2 facilities/operations site. The Ukrainian visitors then attended a City of Burleson council meeting in the evening, where they were officially received by Mayor Ken Shetter and given a key to the City.

(Continued on page 7)

## Burleson Rotary Club (Con't)

*(Continued from page 6)*

Later in the week the delegation visited with representatives of the Burleson city government, the Burleson Chamber of Commerce, the North Central Texas Regional Council of Governments, State Representative Rob Orr in his Austin office, and area charitable organizations such as Meals on Wheels, CASA, and Heart for the Kids. Issues such as fund raising, strategic planning, economic development, interaction with public groups and citizens, communications, and public participation were discussed at various levels within the public and governmental organizations.

However, it was not all work for the delegation and their hosts. The Ukrainian guests were shuttled around Johnson and Tarrant Counties in a 15-passenger van (loaned for the entire visit by Lighthouse Church of Burleson), doing some of the tourist things also, such as shopping, taking photographs, and eating. The group visited the Dallas Cowboys football stadium in Arlington and attended a Texas Rangers baseball game to watch the Rangers play the Angels. On Saturday night Rotarian Bob Weaver, acting as official chauffeur for the tour, delivered the delegation to Fort Worth's Cowtown to experience the cowboy culture, cuisine, and attend a genuine Texas rodeo. They enjoyed occasional evening meals with their resident host families during the week and also experienced a down-home pot luck meal in Jerry and Ginger Allen's home.

"Since 1999, Open World has brought more than 13,000 young leaders to the United States from Russia, Ukraine, Lithuania and Uzbekistan. Through Open World mayors, legislators, judges, civil servants, educators and entrepreneurs from across the former Soviet Union have come to know the real America," stated by Dr. Billington. At the completion of the visit, the City of Burleson is able to say it has had a part in this international movement. Their six visitors have lived with them, eaten with them, and walked the halls of governments with them for a week, exchanging ideas and sharing experiences.

As delegate Tetyana Vasylivna Sobolyk wrote, "After I learn the experience of my American colleagues, I will be able to implement this knowledge in Ukraine, in particular in Ivano-Frankovsk [hometown.]" The Rotarians of Burleson contend that they learned as much as their guests from this experience, by which both communities, 6,000 miles apart, were enriched

## SOUTHLAKE ROTARY "Hosting Group Study Exchange"

Rodney Hall is President, Southlake Rotary for 2010-2011.

He can be reached by e-mail at:

[rodney.hall@yahoo.com](mailto:rodney.hall@yahoo.com)

Our Club recently hosted a five-person Group Study Exchange (GSE) team from New Zealand. Ten of us from the Metroport, Keller, Grapevine, and Southlake Club made it out to welcome them at 11:20 p.m. on Saturday, April 9th.

Four of the Five New Zealand GSE Team members

Susan (New Zealand GSE), playing Volleyball with Rodney Hall's 3 daughters

My 12-year old daughter and I were there to greet Susan Wharerimu, who was staying in our home for five nights. My kids (17,12, and 4) had specifically picked Susan because she was a P.E. teacher. That sounded like fun! My two daughters (12 and 4) had a blast playing Volleyball and all sorts of games with Susan. We stayed-up until 2 a.m. Sunday morning visiting and learning about New Zealand and the Maori culture. Amazingly, she was the first one ready for Church Sunday morning.

That afternoon with the Metroport Club at Karen Hewitt's home had a presentation by the team, including a traditional Haka Dance.

Monday Susan was at TCC to learn about their PE program. Dinner was with the Keller Club at Sky Creek Ranch Country Club. Tuesday was a little less hectic. Susan went to Solana to meet the rest of the GSE team as they visited Alliance and had a personal tour of the Circle T Ranch, including the Ross Perot Jr.'s house. Evening was hosted by the Grapevine Club in Judy Sherman's home. On Wednesday Susan

Susan (New Zealand GSE), Emily and Marilyn

Susan (New Zealand GSE), and Sarah

spent the day at Colleyville Heritage High School, shadowing the girl's basketball coach. Evening was the Southlake Rotary Club's night to host all five of the GSE team members. We attended the Dallas Mavericks game and watched their win over the Hornets!

This was a terrific experience for our Club and family. Our only regret was that Susan's time was so scheduled that we only got to share one dinner at home. We would have enjoyed spending more time with her.

## FORT WORTH SOUTH ROTARY "Hosting Group Study Exchange"

Doug Newsom is a member of Fort Worth South Rotary Club, and is District Chair for publicity.

She can be reached by e-mail at:

[Doug.n@att.net](mailto:Doug.n@att.net)

Events this spring particularly memorable for Fort Worth South club members include reports from President-Elect Gus Niver from his trip to Honduras both at a club meeting and at a pot-luck supper held at the home of Chuck and Ellen Kurtzman. Also Veronica Rogers organized hosting the club's five Group Study Exchange (GSE) visitors from New Zealand. Theresa Hocker managed our Four-Way Speech Contest, and our winner did well within the district competition.

In the fall, Connie and Chuck Bosworth's held a hot dog and chili fundraiser for Polio-Plus at her home last October. The club also participated in the blood drive, which originated with our chapter, sold flags and worked at the Salvation Army's Angel Tree. Throughout the year, Scott Sullivan has provided informative, entertaining and varied programs.

The club lost 33-year member and Paul Harris Fellow, Ed Ipser, Sr. who died suddenly on March 21, 2011. In 2010 Vince Genovese's widow Clo died. The Genovese family donates generously each year to the club's police and firefighter awards.

Idea to share: As Gus Niver was preparing for his participation in the Honduras Water Project, Chuck Kurtzman suggested that club members contribute additional money for incidental needs that Gus might notice. Gus took soccer balls that delighted the children, and also bought some small plastic parts needed to keep the home water filter units operative.

# MINERAL WELLS ROTARY "92 Years of Service Above Self"

Charles Thompson is Newsletter Editor and Publicity Chair— Mineral Wells Rotary Club.

He can be reached by e-mail at:

This was Mineral Wells Rotary Club's ninety second year of "Service Above Self" and President Brad Wilkerson decided that the Club would develop a Power Point Presentation as a way to show the public what we had done. It was decided that the premium showing of the presentation would be at the booth that the Club would have at the 31th annual Crazy Water Festival. The Club was given the honor of being the only booth to sell the official Crazy Water Festival T Shirt. The Club decided that the money that was generated at the Festival would go to the Clubs ENDPOLIONOW campaign.

The Mineral Wells Rotary Club recently participated in the first annual MMA Fair. In addition to booths that displayed the activities that each of the participating organization accomplished this past year, volunteers from the organization filled more than 250 trash bags in a street cleanup projects; mowed and cleaned up yards of 8 elderly homeowners. In addition the gazebo in the downtown Arthur Zappe Park, named after a past Mineral Wells Rotary Club president, was repaired and painted.

## MINERAL WELLS ROTARY CLUB, Con't

Members of the Mineral Wells Rotary Club served as judges for the Four Way Test Speech Contest. The winner was Alexandra Gray from Mineral Wells High School. Miss Gray won a \$1,000 scholarship to the College/University of her choice.

As Mineral Wells Rotary Club primary source of income for its scholarship projects, America Flags are placed at residents or business 6 times a year for an annual contribution of \$30.00. We currently place over 400 flags.

## DENTON ROTARY CLUB *"Supplying Sleep Mats to Homeless"*

Dale Kimball is  
President, Denton  
Rotary Club

He can be reached by  
e-mail at:

[dkimble@datcu.org](mailto:dkimble@datcu.org)

Members from Denton Noon Rotary Club participate in a unique multigenerational project which was originally initiated by University of North Texas/Wesley Center students. Volunteers work together to help the homeless in the Denton community. First, the Denton Noon Rotary Club teamed up with United Methodist Church of Denton volunteers to collect plastic grocery/shopping bags. The collected bags are then delivered to the Wesley Center at the University of North Texas, where student volunteers cut the bags into strips and weave it into "yarn."

Next, a group of local retirees crochet the yarn into 2'x6' sleeping mats. The finished mats are delivered to Our Daily Bread, a non-profit organization that serves meals to local homeless people, housed in St. Andrew Presbyterian Church. The mats are distributed as needed through Our Daily Bread. So far, several dozen mats have been given to local needy people, with a goal of an additional 100 mats to be completed and distributed by Christmas, 2011.

Approximately 50 community volunteers are involved in the project, from bag collection to mat distribution. A Denton Rotary Club member and a member of the University of North Texas faculty, who have experience in various assistance projects in Mexico, are considering extending the project to Central America.

## HAVE SOMETHING TO SHARE???

Does your club have an upcoming event that you want to share with other Rotarians? Did you just complete a project or fundraiser? Let others in the district know!

Please send us a write up and pictures to include in the newsletter. See the contact information to the left.

## COMING IN THE JUNE NEWSLETTER...

June continues our wrap up of the Rotary Year. You'll find a recap of the District Conference. And District Avenues of Service Chairs will continue to recap what has gone on in their areas.

The Colony, Decatur, Fort Worth International, Stephenville, and Wichita Falls Southwest will let us know what is going on with their clubs.

As always, let us know what is going on with your club!
