COMMEMORATION PRINCIPLES

Program will honor all veterans, but will be Vietnam Veteran-focused and will honor their service, valor and sacrifice and their families.

Program will include successful elements of the bicentennial of the Nation, the bicentennial of the Constitution, the 50th and 60th Anniversaries of World War II and the Korean War.

Include an Advisory Committee comprised of a broad cross section of Vietnam Veterans and leaders with State, local and federal perspectives and distinguished citizens who together are committed to honoring and supporting commemoration activities.

Assist Commemorative Partners around the country and world-wide as organizations and communities undertake activities to honor and commemorate Vietnam Veterans and our Allies.

Coordinate key governmental/national events to complement those by local communities and organizations.

Develop educational programs and materials to support the Commemoration.
