GET INVOLVED IN WAYS THAT MATTER TO YOU

Rotary offers benefits for people of all ages and backgrounds. From learning more about the world to learning more about yourself, you can grow by engaging with Rotary's global network and the array of activities, programs, and interest groups that Rotary offers.

When you get involved in Rotary, whether as a Rotarian, Rotaractor, or program participant, you expand your perspective by honing your skills, learning from professionals, making new connections, and making a difference in your community and around the world.

We know that each member has a unique combination of interests, skills, and talents, and so each member will be attracted to different activities. This guide describes the options you can choose from to personalize your Rotary experience and get involved in ways that matter to you.
