*"Building Tomorrow's Leaders
Through Investment in Today's Youth..."*

Dear Community Leader,

In 1971, Rotary International adopted the Rotary Youth Leadership Awards (RYLA) program to promote leadership development for future leaders of our community.

Since that time, local Rotary Clubs of District 5790 have sponsored one to five young men and women from various schools for camp RYLA so they may participate and learn valuable leadership skills. The sixty-nine Rotary Clubs of District 5790 will typically sponsor 140+ young leaders to attend this annual camp.

Your local Rotary Club is inviting you to encourage young leaders you may know to apply for an opportunity to attend this year's RYLA camp held June 15th-18th, 2023. The student must be a junior or senior in the fall of 2023 to be eligible. The leadership camp will be conducted at Tarleton State University in Stephenville, Texas.

If the student is selected, the \$450 cost for the camp will be paid by the local Rotary Club and the student will be responsible for incidental items only (toothpaste, soap, shampoo, etc.).

It is very important to stress that students selected for sponsorship should not have a time conflict with the camp in June. Plans are already being made and cancellations will result in the loss of the club's tuition and the opportunity for another student to attend camp RYLA.

We have included a link to the online application which should only take a few minutes of the student's time to complete. After completing the RFA, the full application will be emailed to you. You and your parents/guardians must complete the full application and sign the enclosed forms.

A camp RYLA fact sheet has been included with this letter. Thank you for your time and support.
