

**Rotary District 5790/ 5810  
Foundation Festival  
Auction Donation Form**

Dear Club President

We are starting early to get club auction items for the District Foundation Festival being held on November 18, 2017 at the beautiful DFW Grand Hyatt. Every year, we ask each club to donate an auction item. However, we are making a few changes this year. You have two options:

- 1) We would like each club to donate an item valued at a minimum of \$100, or more. If your club wants to send a check, we will purchase an item for you. The check would need to specifically say "for auction item". Please send your checks as soon as possible, so the auction team can begin gathering items. Checks are made out to **Rotary District 5790** and mailed to:

Chris Wade  
District 5790 Treasurer  
4303 S. Bowen Road, Suite 127  
Arlington, TX 76106

- 2) If your club usually sends an auction item that is valued at more than \$100 (i.e. wine baskets, vacation packages, travel or dinner experiences, adventure experiences like airplane rides, race track packages, sporting tickets or memorabilia, ipad...), please continue supporting the Rotary Foundation auction with your generous donation. If it is unique or popular, it should sell pretty easily.

We would like to have all items to us by October 27 at 4:00 PM, so we have time to make descriptions and bid sheets. I have also attached a list of the Assistant Governors. If you cannot contact your Assistant District Governor, please feel free to call one of your district's co-chairs listed below.
