### *Optional Opportunities for the Clubs*

There are numerous trips offered by Rotary at the end of the students’ time in the US.

It is purely up to each club whether they wish to help their student with any or all of the costs associated with these trips (Trip costs are approx. \$2,500) this is up to each club and is usually based on a student’s financial need.

### **The above are *Estimated Expenses For Student***

**Some Clubs choose to spend more some a little less, it is at the clubs discretion**

### **INBOUND STUDENT SHORT TERM PROGRAM COSTS TO CLUB**

The short term program **does not have any direct costs** to clubs. Some clubs may wish to provide financial assistance to the student going out on short term exchange. Some clubs help with airfare, insurance or providing some activities for the inbound student to participate in while here for Short Term Exchange. This is at the Clubs discretion.

Financial ability should not be the determining factor for a student to go on exchange or even for a club to host a student.

If you have any questions regarding any of the above items please contact the inbound coordinator or the District Youth Exchange Officer, Norm King, 817-781-3327 / [YEO\\_5790@yahoo.com](mailto:YEO_5790@yahoo.com).
