

David Jones was born in Albuquerque, New Mexico. As a military BRAT, David had the opportunity to live in 5 States and 4 countries; Spain, Japan, Germany and England. Graduating from Upper Heyford American High School in England. David moved back to Ohio from Washington State and he completed his undergraduate work in mathematics education from Capital University. David attended and received a Master's in Educational Administration, a Master's in Curriculum and Instruction and his school Superintendents License from Ashland University. David was an Adjunct Professor for Ashland University, taught high school math at Madison Local Schools and Ontario Local Schools in Richland County Ohio. David worked as the Director of Building Operations and Technology for the Summit Educational Service Center in Summit County Ohio before retiring after 32 years in education.

David is married to Georgeann, a native of Akron, who is a teacher at Canton City Schools and owns Christian James Salon in Cuyahoga Falls. They reside in Stow and have four adult Children. David is a member of the Northampton-Cuyahoga Valley Rotary Club and served as Club President; he is a member of the Club's Board of Directors, Scholarship Committee, Foundation chair and Grant Committee. At the district level, David is an alumnus of LEADERSHIP 6630 Class of 2016 and served as the Districts Foundation Stewardship chair. David served as the "On to Hamburg", "On to Honolulu" and now serves as the "On to Taipei chair for the RI International Convention, and continues to serve on the Planning Committee for the District Conference of Clubs.

David is proud and honored to serve as the District 6630 Governor for the 2022-2023 Rotary Year. He is excited to work with all of the Clubs and Rotarians of the District on club membership, strengthening the connections between the Rotary, Interact and Rotaract. David stated, "I am excited to be a part of an extremely talented leadership team and will continue the proud tradition of those who put "Service Above Self."
