TRC of Jefferson recently completed two community projects. For the first year in a row we placed the concrete playground signs in the front

seniors from the Schools. These signs are a very image. In addition to the renovation of the front of the county center of town. Our fountain 20 years need of some TLC. We painted the base a ring to bring it to a better operating condition.

Dr. James Lehman, a member of the Rotary Club of Fairlawn, Ohio, recently received a \$52,650 grant to complete a portable Endoscopic Evaluation of Swallowing (EES) system. Dr. Lehman has performed over 100 Cleft Lip and Palate operations and has donated his services to children with birth defects such as cleft palate and missing ears. This system will enable the repair of cleft palate defects in plastic and pathological ability allows this system to be used in a wide range of applications. We have formed a memorial fund to support the club's efforts in providing better medical care to our community. The grant was due to the efforts of the Rotary Club of Fairlawn, Ohio, who wrote the grant materials, submitted the request and sought funding from the Northeast Ohio Regional Council of Governments. After surgery, many of these children require speech therapy. states and 20 courts hire and deal with more than 200,000 cases a year. On the 5,932 emergency trips documents during the first 24 hours of the crisis. To qualify for the Saturday, May 21, 2020, of three sessions, applicants must have critical care experience, have a master's degree and be able to undergo constant training and specialized instruction with local fire departments. Cwyner said they host Trauma Days, where the Clinic flight crew practices with local paramedics. Medical personnel - from Tibet and Senegal also spend time in the area. When the chopper drops off papers for a patient, the crew could watch the situation, Cwyner said, most often it's a cardiac case. One call to Buffalo was so critical, times before the crew reached Pa. They landed there and pushed the patient to a hospital. Cwyner was able to help the band so he could return home. The woman didn't make it so glad we were able to help her to be alone." That's probably the hardest part of being a critical care nurse. "My faith part," she said. "You do every professional that everything right and make it."

On Saturday, June 14th, the training members of the Haitian Vocational Training Center (VTC) that is currently operating in the 6630 for six weeks of the Akron Children's Hospital (ACH) were treated to a fabulous BBQ in the Chagrin Valley and Hein and Piteken Fogle, a Chagrin Valley member and chair of the Northeast Ohio group on their tour.

Blazin Bills to where they enjoyed of the new "Tree form" the weather was a good time was enjoying lunch and Midwest culture and was joined by VTT

son and VTT Grant writer Dr. Jim Eldridge both of the Middlefield was a great opportunity to meet the group and finally put names to faces, not to mention the wonderful class food. Haitian team has 2 more weeks of training at ACH before returning to Haiti. The second phase of the grant will take place in September when
