## Governor's Letter

### January 2015

Happy New Year to District 6630 Rotarians

As we begin a new calendar year, we also mark the half way point of this Rotary Year. It is my pleasure to thank you for your service and willingness to share your time, talent, and treasure. Each of you have made a commitment to serve your local community and our world. Please continue to work on your goals and even exceed them.

There are also a number of Rotarians in our district who have also volunteered to serve you at the district level. I am very indebted to these fine Rotarians who help our district in many ways and offer programs for our clubs and members. It has been my privilege to work with these fine individuals. The district is always looking for Rotarians to help at the district level. I would encourage you to talk to me or your AG about getting involved. Please do not hesitate to share information or ask questions. As you all know, Rotary is what it is because of you, the individual club members. So, please accept my humble thanks and continue your excellent work and passion.

I would like to take this opportunity to share with you a new program and an important

announcement about our District Conference.

Vocational Directory. As a district we have been researching and discussing the possibility of having a district vocational directory. Many times, I have heard a Rotarian say, I would like to do business with a Rotarian but I am not sure who is out there. Since one of the Avenues of Service is Vocational, I believe we should be able to share our vocational passion as well as our other passions.

A committee has been researching a couple of on-line directories. There is one directory that seems like it will be a great tool for us. It is part of club runner and is called the Yellow Pages. It will be located on the web site and any person who visits our site can search the directory to find a business. Only Rotarians in our district will be able to be in the Yellow Pages. This is a totally opt-in directory. Each Rotarian will be able to enter business and contact information into the directory. This is a no fee service to our District 6630 Rotarians. There will be an opportunity for those who wish to also place a paid ad on the site. Cheryl Warren has agreed to get the program started. Thank you Cheryl

As soon as it is ready for entries, we shall let you know.

### Our District Conference of Clubs

Bob Evans Polio Fundraiser

On October 23, many of you participated in Dining to Donate at your local Bob Evans Restaurant. Bob Evans did donate 15% of each bill to our district to fight polio. Last month, we did receive our check from Bob Evans. I am happy and pleased to announce that because of you we received a check for \$1,122. Thank you all again for supporting this project and helping the effort to eradicate polio from our world.

New Members This Month

Please welcome into our family of Rotary, the following new members:

**Rotary Club of Akron**  
Scott Scarborough

- Rotary Club of Burton**  
Ropbert Himmelein
- Rotary Club of Hudson**  
John Hairston
- Rotary Club of Jefferson**  
Gary Yost

Amber Zibritosky
- Rotary Club of Strongsville**  
William Ali  
Michael Haley

According to the RI Site our membership stands at 2114, which is +45 this year. We have inducted more than 45 but did lose a number of Rotarians also. This is a very good start to our year, please

note, that these numbers reflect what has been entered and are current as of the end of December 2014. Let's keep us growing!

### Foundation Progress

Our Contributions to the Rotary Foundation so far this year is:

Our Goal: \$174,427  
Contributions to date: \$ 50,138

I know many clubs do contribute at the end of the year, which is fine. I just want to keep you updated about our progress.

So thank you again and please continue your exemplary work.

Thank you, also, very much for everything.

## Westlake Bay Village Rotary Celebrates New Year's

By Donna D'Amico

One of the many generous contributions made to the community by the Westlake/Bay Village Rotary club this year was the sponsoring of the New Year's Eve celebration at O'Neil Healthcare Bay Village. Formerly known as Bradley Bay Health Center, this highly regarded nursing and assisted living center is home to over 150 residents.

even if it may be in the afternoon. Four member of the club volunteered to help with the festivities by serving and spending time "ringing in the new year" with the residents. The monetary donation was very much appreciated, as it provided musical entertainment for the event, but the time spent with the residents - priceless.

Everyone, no matter the age, loves to celebrate the new year,

## News From TRC Berea

### *Turning an avocation into a vocation*

Kevin Noon didn't start out sharpening knives for a living. He earned degrees in geology and physics. Obtained his marine steam engineers license. And was a police officer for 9 1/2 years. When he was laid off from his job in 2007, he had to decide what to do with the rest of his life. Knife sharpening was a hobby taught to him as a youth by his father. His wife suggested he start doing it full time - and get paid for it. That has worked out rather well.

Kevin Noon sharpens knives for the Rotary Club of Berea

Heinen's Supermarkets hired him to work the circuit of their many stores and he sets up shop at various Farmers' Markets in the area. He also runs Noon Sharpening out of his Northfield home. Noon

demonstrated his skills to Berea Rotarians on Tuesday.

"Sharpening is simple," Noon told Rotarians. "It's all about the angle." Different angles are needed for different tools and just the right angle is needed to make sure the blades are honed correctly. Noon said at one time 98 percent of all sharpening stones were made from Berea sandstone.

He sharpens a wide variety of tools: kitchen knives, scissors, garden tools like pruners, lawn mowers (blades must be taken off the mower), woodworking tools, sewing tools and salon shears. He does food processor blades and blender blades, axes, shovels and chisels. No chain saws or electric hedge clippers.

Noon uses a 1923 Singer treadle sewing machine that he says he picked up out of the trash. He reconditioned it and inserted two sharpening wheels. He transports it to about 40 gigs a month.

Learn more about his fees and schedule at noonsharpening.com.

## Growing Your Club - 7 Tips

As we begin the New Year it is a good time to review our membership strategy on how to attract new members. Here are just a few tips for you to consider in growing your club.

- **Develop referral sources:** Network with friends, neighbors, business associates and co-workers. Referral

sources are an excellent resource. If you use the proper approach, you will get leads on prospective members. On the other hand, if you focus solely on individual members, you will not develop leads!

- **Diversity in growth:** Target classifications that are not currently represented in your club. This is a great opportunity to bring to your club new ideas and a variety of new positions.

- **Diversity in Growth Prospect List.** This spreadsheet lists 102 positions that may not be represented. It is an excellent tool in helping you identify potential members. If you do not have this, please contact your Assistant Governor. (distributed to all AG's in October 2014)

- **Invite a friend/neighbor to join you at a service activity:** This will provide insight into Rotary's contribution to your community. As follow up, also invite them to a social

function or club meeting.

- **Younger members:** Adding younger members is essential to the future of your club. Make membership more attractive by waiving or reducing the application fee or annual dues.

- **Past speakers:** Contact previous past speakers who you feel may be a good fit for your club. They represent an excellent pool of potential members, are knowledgeable in their field and may have numerous contacts. If they have no interest, please ask for referrals.

**Always wear your Rotary pin:** When asked "What is the pin for?" What's Rotary? Suggest you include in your response two things:

1. Rotary has enriched my life and made it very gratifying!
2. It has made me more of a complete person!

Congratulations! You have now created interest and positioned yourself to get to know the prospect, introduce the benefits of being a member and discuss what Rotary has done for you.

**If I can be of assistance to you in your membership efforts, please contact me at 216.952.7434. email a.corrao@sbcglobal.net.**

Kind regards,  
Tony Corrao - Rotary Club of Hillcrest Sunrise

## Clubs in District 6630 Continue International Support

Recently the American Nicaragua Hope and Relief International Foundation held their annual meeting in Chinandega, Nicaragua. Elected for his third 3 year term as a Director was District 6630 PDG and past President of the RC of Conneaut, Jack A. Young. There are two separate Boards who work together to support the children of the dump in surrounding communities in Nicaragua.

One Board is the Chinandega 2001 Board of Directors which is comprised of local business and community leaders in Chinandega which oversees the trade school and other schools on a day to day basis. The second Board is the American Nicaragua Hope and Relief Foundation, a 501 C-3 Foundation in the United States consisting of Rotarians throughout the United States and is responsible for assisting the funding and donation process to the Children in Nicaragua. Both Boards work together to insure the success of the process.

Other members of the 15 member American Nicaragua Hope and Relief International Foundation Board of Directors include District 6630 Rotarian and Past President of the RC of Aurora; Roger Cram; Past Rotary International 2003-05 Director Mike McClough from Michigan and current Rotary International Director from Wisconsin and Zones 28-29 Mary Beth Growney Selene. The Board was also served in recent years by the late Rotary International Director and Treas-

urer for 2011-2013, Betsy Demaray, from Michigan.

According to PDG Young there was a meeting of both Board of Directors in Chinandega during the recent trip to Nicaragua in December to discuss how both boards could continually strengthen the success of the Betania Trade School, local community schools and their mission

Over the past 8 years, District 6630 Rotarians and Friends of Rotary have been responsible for sending various items such as Emergency vehicles, medical supplies, school supplies, etc. valued over 500,000 dollars to Nicaragua. For more information as to how you or your Rotary Club can help please contact PP of the RC of Brunswick Marsha Pappalardo ([cmpappa@aol.com](mailto:cmpappa@aol.com)) or PDG Jack Young, ([Jack1villa@aol.com](mailto:Jack1villa@aol.com))

Thank you to District 6630 Rotarians for helping those who you may never meet.

Pictured below are members of both Boards of Directors

## Rotary Veteran Lapel Pins

In 2014 we had 12 Rotary clubs in our district who presented over 100 Rotary International/Veterans lapel pins to their members in special ceremonies at one of their club meetings or special events. The many in which the presentations were made varied, but the end result is that the clubs gave special recognition and honor to the Rotarian Veterans served our county.

Official recognition of the end of the first modern global conflict-World War I-was made in concurrent resolution enacted by Congress on June 4, 1926. On June 1, 1954, November 11th became a day to honor American Veterans of all wars. Later that same year, on October 8th, President Dwight D. Eisenhower issued the first Veterans Proclamation. "In essence it was issued to insure proper and widespread observance of this anniversary, all veterans, all veterans' organizations and the entire citizenry will wish to join hands in the common purpose."

The Rotary Club of North Ridgeville, in honor their veterans, went one step further and in addition to the Rotary-Veteran Lapel Pin requested a special certificate from Gayle Manning, State Senator from the Ohio Senate, 13th District.

Thank you to all Rotary Clubs in our District who supported this special recognition of our Rotary Veterans. If your club wishes to participate this year in giving the Rotary Veteran Pins please contact PDG Jack Young, (440)759-4000 or [Jack1villa@aol.com](mailto:Jack1villa@aol.com).

## TRC Solon Night at the Races

The Rotary Club of Solon will hold its annual "Night at the Races" event from 6-11 p.m. Saturday, January, 31st at the Solon Community Center, 35000 Portz Parkway.

All net proceeds from the event will be used for charitable causes the club supports, such as the Solon Mobile Food Pantry, serving many area communities, camps for children, Solon's Permanent Safety Town, and Clean Drinking Water initiatives.

The evening includes a dinner buffet, free beer and soft drinks (bring your own wine and liquor encouraged), wagering on action-packed video horse races, a 50-50 raffle, a "Boatload of Booze" raffle, auction items between races, a Super Bowl square pool, and fun music.

Tickets are \$50 each, which includes dinner and drinks. There will be unlimited \$2 wagers per race, and participants can "own a horse" for \$40. Each winning horse owner walks away with \$80.

Horses in the final race will be auctioned off, with the winner receiving 50 percent of the proceeds raised selling horses in that race.

Gates open at 6 p.m., with dinner at 6:30 p.m. Post time is 7:30 p.m. and fun will be had until 11 p.m.

To buy tickets, please go to [solonrotary.eventbrite.com/](http://solonrotary.eventbrite.com/).

For more information, call Brian Moran at 440-668-1288, or Paul Martin at 330-550-3689.

## Expand Your Leadership Skills and Your Rotary Knowledge

Rotary Leadership Institute (RLI) workshops I and II will be held on Saturday March 28<sup>th</sup> from 8:00-4:00.

Would you like to sharpen your leadership skills and learn more about Rotary at the same time? Then Rotary Leadership Institute (RLI) workshops may be for you. Each of the three RLI courses focuses on a different set of leadership skills and Rotary programs and practices. They are facilitated by Rotarians trained in participatory learning techniques.

RLI Workshop I topics include Insights into Leadership, My Rotary World, Engaging Members, Our Foundation, Ethics - Vocational Service, and Service Projects. Those who have completed Workshop I are eligible for Workshop II, with topics Strategic Planning and Analysis, Targeted Service, Club Communications, Team Building, and Attracting Members. Looking ahead, Workshop III, for those who have completed Workshops I and II will be offered later in 2015. Topics for that

workshop include International Service; Effective Leadership Strategies; Rotary Opportunities; Public Image and Public Relations; Rotarians, Vocational Service and Expectations; and Making a Difference.

The cost of each workshop is \$75, which includes continental breakfast and lunch. District Governor Mike Davanzo has arranged for \$25 of the cost to be covered by our District. Your Club may cover the remainder.

Watch your email for an announcement of the location of the March 28<sup>th</sup> sessions and the opening of registration.

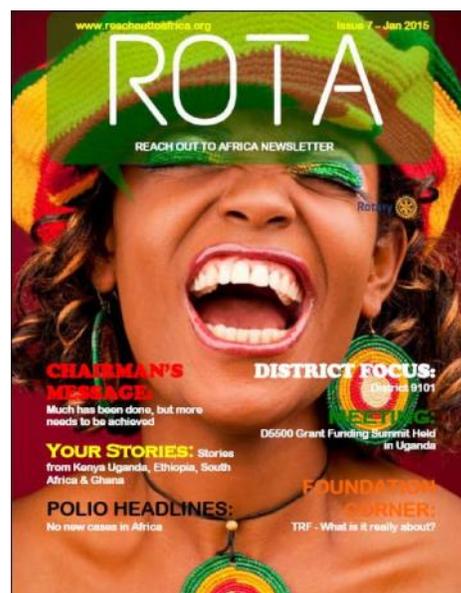

RLI is an international organization founded and run by Rotarians. Our District has partnered with two other Ohio Districts to form the RLI North Coast Division to offer Rotary Leadership Institute workshops in Northern Ohio.

Questions can be directed to our District RLI Chair, PDG Julie West, at [jwest@ameritech.net](mailto:jwest@ameritech.net) or 216-392-6771.

## Thank You Medina Sunrise

The Buckeye Local Schools would like to thank The Medina Sunrise Rotary for the generous donation of \$1,000.00. This money was used to provide a wonderful Christmas for two families and a combined 8 children who all attend The Buckeye Schools. Superintendent Brian Williams said: "Our school district continues to enjoy a wonderful relationship with The Medina Sunrise Rotary and we truly appreciate all the support and generosity we receive from this organization in order to better serve our students".

# DG Nominee Announced

The 2014 District 6630 Nominating Committee is proud to announce that Jack Miaskowski from the RC of Strongsville will be the District 6630 District Governor for the 2017/2018 rotary year. Jack follows this year's DG Mike Davanzo, the 2015/2016 DG Cheryl Warren and the 2016/2017 DG Dick Farkas in the DG string. Jack is a member of the district's largest club and has been active in membership programs there. He emphasized during his interview that membership would be a major focus of his year as DG. We look forward to an active and productive year under Jack's leadership.

# News From Port-Summit

Port-Summit Rotary had a busy December. On Saturday, December 6th, members rang the Salvation Army Bell for Holiday Donations at the new ACME Fresh Market in Green. The hastily assembled Rotary Holiday Band entertained contributors as they entered and departed the store. Thanks to Port-Summit members Lee and Judy Miller for organizing the band, and to the many members who rang the bell.

On Tuesday, December 9th, Port-Summit members held their annual Christmas Party/Dinner at Bricco restaurant in Downtown Akron. After dinner, members walked down Main Street to the Akron Civic Theatre where Ryan Humbert, Emily Bates and the Savoy Big Band presented a wonderful concert of Holiday Favorites. To make it all the better, proceeds went to benefit the Akron General Medical Center's Muffins for Mammograms program. Approximately 30 Rotarians and their spouses attended.

## Get Involved in Project YESS

*Has your club considered sponsoring a student to Experience the Power of Project YESS?*

Join us for a summer of adventure! Project YESS is a legacy program developed by the Rotary Club of Cleveland to provide students ages 13 to 17 with opportunities to develop courage, confidence and community while opening their eyes to unique career opportunities that exist in the Great Lakes region. Students participate in an extraordinary 6-session land-based curriculum, then sail away on a 6-day, 5-night adventure aboard a magnificent tall ship, applying the skills they've gained toward becoming vital members of a dynamic on-board community. Applications are available now, and accepted applicants are notified the first week of April.

The cost per student for this amazing opportunity is \$1,500. See the attached application and information sheet which your club members can share with students they feel might benefit from this amazing educational adventure. A special recruitment event is being held on Saturday, February 14, 2015 at a location to be announced, from 9 am until 1 pm. Attendance at this event is a great way for students to understand what Project YESS can do for them. They will interact with Project YESS graduates, and enjoy a morning of team building

and fun. If you or your club is interested in sponsoring a student, please contact The Rotary Club of Cleveland at [clevrotary@aol.com](mailto:clevrotary@aol.com) subject line PROJECT YESS – reservations are required.

Project YESS has changed the lives of over 125 students and their families since 2010! Don't miss out on your club's chance to be a part of it!

## Maybe You Don't Know Jack... 'til Now

Thank you, District 6630 for selecting me as the incoming District Governor for 2017-2018. I am honored and humbled to fill that role.

Strongsville has been our home since 1986 when we moved our family from Philadelphia for a promotion into management at Penton Publishing. I spent 25 years selling B to B advertising in two different industries. One was the Material Handling Industry and the other the Welding Industry. For the next 15 years I was involved with the Industrial Gas Market, again in the B to B area. I am still there but in a different capacity.

Kathy and I have three daughters, Kathy, Lisa and Maureen who all live in Ohio. They have given us the pleasure of nine grandchildren. The count is one girl and eight boys so we always have a noisy house. The grandkids range in age from 20 years to 7 years. Just for fun, there is a set of triplet boys who are 9 years old and the girl is 9 years old as well. We have two in College, one in high school, and the rest are in grade school.

I have been in Rotary for 19 years and was fortunate to be the Club President in 2006-2007. Joining Rotary was one of the best decisions I have made in my life next to marrying Kathy. We will be married 50 years on May 1st, 2015. She has been a great partner to tolerate my 30 years on the road. We have been fortunate to travel the country and Europe together on business and have friends all over the country. We are now adjusting to less travel by me and any of you that have been through this period know what I mean.

Our whole family has been involved with Rotary in some form. We have done the Chili Open, Breakfast with Santa, Breakfast with the Easter Bunny, The Run, Walk around the Mall, Clothing Drive, Taste of Strongsville, Safetytown Project, Parades in Strongsville.

I look forward to meeting ALL of you and asking for your help in making DISTRICT 6630 ONE OF THE BEST IN THE WORLD!

Sincerely,  
Jack Miaskowski

## Preparation for the 4 Way Test Speech Contest

By now each Club should be planning for the Local 4 Way Test Speech Competition event. This is the precursor to the District event which is now scheduled for Saturday April 11th, 2015 in Aurora, Ohio. The Local event is where it all starts and it is up to each Club to prepare the students for this event. A good place to begin to prepare the student(s) for this event is to schedule a sit down meeting at the school with the student(s) and their faculty advisor. This is important because the students will need to have guidance for preparing their speeches. In addition, they will need a basic explanation/history of the 4 Way Test. This history can be found on the District web site or by Googling the Rotary 4 Way Test Motto.

Students should attempt to present their topics without the use of notecards. While the judges at the District level are instructed to overlook this specific detail, the use of the notecards can be a distraction. A brief moment of hesitation to glance at notes can and will affect their overall delivery and might possibly cause a less than perfect presentation.

## Grant \$\$ Available!!!

Is your club interested in taking advantage of matching grant dollars from The Rotary Foundation (TRF)? Sign up for one of the upcoming Grant Management Seminars (GMS).

All clubs interested in using matching dollars from TRF for a District or Global project in the 2015-16 Rotary year, must have two member attend a GMS now. Register online at the District website for one of the following:

Saturday, February 21, 2015 Independence Library 9:30 - 11:30am

Thursday, March 5, 2015 Mayfield Library 6:30 - 8:30pm

This is a speech contest, not a dramatic performance! In the past, some students have tried to work the stage by utilizing full body gestures for emphasis, but it has just served as a distraction when it has been overdone.

Please encourage all students to give this opportunity a try! This is a great time for those students who want to participate in public speaking to gain experience by speaking in front of a live audience that includes their peers, parents and judges.

The First, Second and Third place winners will be asked to present their speeches during the annual District conference which is scheduled for April 25th and 26th, 2015. A Club Rotarian from that Club will need to accompany the student to the District event. Please inform the students that their presence at this function will be requested if they become finalists.

Scott Pease  
District 6630

4 Way Test Speech Competition Chairman

## RYLA Preview

Hello RYLA Supporters:

Happy New Year! I hope that everyone had an enjoyable holiday season. With the New Year, I want to get a jump start with RYLA this year.

The dates for Camp RYLA this year are Sunday, June 14<sup>th</sup> - Thursday, June 18<sup>th</sup>, 2015 at Baldwin Wallace University.

I hope to have the District Website updated in a few weeks.

I am also including a promotional video for recruiting participants. Click on this RYLA graphic to view the video.

<http://youtu.be/7EhY0vJvS64> Please use it and enjoy.

Please feel free to contact me with any questions, comments or concerns.

If you are no longer the RYLA Chair for your club, please pass this information on to the correct person.

Thanks for your attention to this matter. It is appreciated.

Paul Alexander contracted polio during a major U.S. outbreak of the disease in the late 1950s, and has lived in an iron lung since. It wasn't until a business meeting with a club member in Texas last year that he learned about Rotary's fight to eradicate the disease.

## TRC Akron and Go Fund Me

### *Ronald McDonald House - Akron Go fund Me Project*

The Ronald McDonald house in Akron is going through a \$10 Million expansion. The Summit County cluster groups took on a project in November to try to raise \$50,000 to permanently fund a room. Thank you to all those that have supported this great project. We are at just about the \$5,000 mark after two full months. Please discuss at your club meetings to see if we can get more donations. At the \$5,000 mark, we will still be able to sponsor a room for one year, which is a great achievement. Any additional funds will be helpful. Please go to [www.gofundme.com/rotarycares](http://www.gofundme.com/rotarycares) to donate, or send check payable to the Akron Rotary Foundation with Ronald McDonald House written in the memo section to:

## “Auditing” Your Club's Fundraising Activities

Last fall, the Foundation Resource Development Committee of the Rotary Club of Hudson introduced a plan to determine the strength of its many and varied fundraising activities and utilize its members' talents and resources most effectively. Several weeks ago, the plan took shape as committee members personally interviewed members who had chaired events and initiatives designed to raise funds or a variety of purposes, and prepared a “hardcopy” and online survey for all other members. The survey asked participants to:

- Identify their involvement in fundraisers
- Rank their effectiveness
- Offer recommendations for enhancing existing events and launching new ones.

The results of the survey will be supplemented by an internal review of fundraising gross and net profits, number of volunteers and volunteer hours, and community impact over a seven to ten-year period, and by benchmarking activities with other clubs in the District. A final report including findings, conclusions and recommendations will be delivered to the club in March.

Such an audit works on a number of levels. Members have the opportunity to better understand and become more involved in all-important fundraising activities, stagnant activities can get a shot in the arm, and those that are clearly in decline can be replaced with new ones.

Take a look at how YOUR club is raising funds . . . it's time well spent!

## Lkwd/RR to Host Swim-a-thon

### *Fundraising Swim-a-thon Slated For March 1st*

Join us in making a big splash for our local Rotary Club and Girls With Sole at an upcoming Swim-a-thon!

Rotary member and Event Coordinator Harlan Radford is planning to host a fundraiser at the Rocky River Recreation Center swimming pools on Sunday, March 1. The time for this event is scheduled from 8:30am to 10:30am and the recreation facility is located at 21012 Hilliard Blvd., Rocky River, Ohio 44116.

Club members are encouraged to either participate in the swim and obtain pledges from others or make a donation to support someone who will be swimming. This event has been a huge success over the past four years and we would like your support. Promotional materials, sign-up sheets and timely informational announcements will be made throughout the month of February. Please direct all inquiries to Harlan Radford at [harlanrjr@yahoo.com](mailto:harlanrjr@yahoo.com)

## Cluster Baskets Sought for District Conference

Hi my name is Ann Socha secretary of Brunswick Rotary. I am on the committee of money making for the District Conference this year which is April 24th, 25th and 26th at the Double Tree in Independence. I am asking all the Assistant Governors to please organize a basket of \$300 to \$500 value from each of the cluster that we can auction off over the weekend of the conference. For example already have the basket for the Brunswick, Lodi, Medina, Medina Sunrise and Wadsworth cluster already in the works. One of the members from the Medina Evening Club works for Smuckers and she has offered to

get a basket from them in the value of \$500 with each of the clubs donating \$100 each towards the basket. If everyone could please speak with or email their clubs in their cluster to come up with a theme for the basket I would appreciate the themes to be email to me by March 2nd. Some ideas of themes I have received as possible options is wine basket, sports, and gardening! If you have any questions feel free to email me back or call me at 216-780-5490.

Thank you,  
Ann Socha

**Simple Steps to Innovate Your Club - Wednesday 4 February 2014**

Join Rotary's Director of Membership Development, Brian King, on **Wednesday 4 February, 2015** for the third installment of the Membership Matters! webinar series. This webinar, "Simple Steps to Innovate Your Club" will review various actions clubs can take immediately to adjust the format of their meetings, improve their presence within the community and foster camaraderie among club members. Brian will be joined by other Rotarians during the webinar to share examples of what they have done to innovate their clubs. Register to attend this webinar by going to: <https://attendee.gotowebinar.com/register/3800459002692061698>

### About the Speaker:

Brian King, Director of Membership Development has been on staff with Rotary since 2001. Prior to assuming the role as Director of Membership Development, he held a number of positions within The Rotary Foundation's fund development office including the Director of International Fundraising and Director of Annual Giving and Alumni Relations. Brian is

a proud member of the Rotary Club of Evanston, a Rotary Foundation benefactor and a multiple Paul Harris Fellow.

### New Openings for the Innovative and Flexible Rotary Club Pilot:

One of the many ways that Rotary clubs around the world have tested new innovations within their club is with the Innovative and Flexible Rotary Club pilot. This pilot has recently been approved for expansion by the Board of Directors and allows for clubs to test variations to the normal club structure not allowed by the Standard Rotary Club Constitution. To learn more about this pilot, please visit the [Guidelines and FAQ page](#). Applications for the 2015-17 Innovative and Flexible Rotary Club pilot are due by 31 March 2015. ## Doing Well While Doing Good

Mentor OH - On December 17th 2014, Carver Financial Services held their 26th Annual Client Appreciation event at LaMalfa Centre in Mentor, Ohio. As in the past those attending were asked to donate non-perishable food items to benefit the less fortunate in Lake County and they did! The 800 attendees donated approximately 1,000 lbs. of food which is roughly 4,000 meals.

Since its inception an estimated 25,000 lbs. of food (representing over 100,000 meals) has been donated to people in Lake County. "Our annual client appreciation event is a way to say thank you to our clients but it has also been a wonderful way for our clients to help others throughout the community during difficult times". Food was donated to the Lake County Salvation Army for distribution.

"The food we utilize comes from all over the county through donations", says Bob Bender, the Major at the Painesville location. "In addition to donations, not only do we collect canned food, any monetary donations are used to purchase food from the food bank and various other locations". As you can see it is very important that we collect and utilize our food wisely. Carver Financial Service's collection at the December 17th event is very important for this time of year as our food pantry is usually low. This donation will help tremendously", said the Major.

"The last few years have been challenging years for many and our annual drive is a way to give something to those less fortunate and to the community as a whole," commented Carver. Randy Carver is active in the Mentor Rotary Club and has worked with Big Brothers-Sisters of Lake County, Lake County Council on Aging and hosts two food drives and a charity golf event annually. Randy wishes to acknowledge the support he receives in all his charitable efforts by his team at Carver Financial and most importantly his spouse Christine.
