

Tonight we celebrate the leadership of the rotary Club of \_\_\_\_\_.  
Each year our leaders work hard and conduct the business of our club.

It is a privilege and honor to have been asked to install \_\_\_\_\_ as President  
and our new Board of Trustees.

### **Rotary International**

Perhaps it is appropriate to be reminded we Rotarians are members of the  
largest non-political, non-religious organization n earth. Founded in 1907, Rotary  
is the oldest, most international, and most emulated service club. The Rotary  
Foundation of Rotary International is the largest privately funded foundation in  
America. There are 1,212,690 Rotarians in 33,600 clubs in 170 countries. Add to  
that <sup>595,079</sup>470,000 Rotaract and Interact members in over <sup>25,873</sup>20,000 clubs. It can be argued  
that Rotary represents a new form of international organization and because of its  
nature, capable of accomplishing great things, - eradication of polio a prime  
example....our incredible gift to humanity.

### **President Induction and Oath**

Without question, the President is the most important person in the club.  
Outstanding clubs have great presidents. To be an effective President is such a  
tremendous commitment. It might be hard for someone who has not been  
president to fully appreciate the time and effort required.

At this time I'd like to ask incoming President \_\_\_\_\_ to come forward. Will  
our outgoing President join us as well.

\_\_\_\_\_ you have prepared well for your presidential year. You have been  
active in the club, a visible and effective member. Plus, you have attended training  
meetings for new presidents. You have your plans and leadership team in place.  
You are organized and ready to go.

\_\_\_\_\_ You are about to become a leader of leaders, a responsibility of service  
you will long remember as one of the highlights of your life. It is a gift... a gift of  
responsibility... responsibility to improve your club, community, vocation and  
world through service.
