What is Rotary?

Rotary is a global network of 1.4 million leaders, problem-solvers, friends, and neighbors, who see a world where people unite and take action to create lasting change – across the globe, in our communities, and in ourselves.

What is Rotary Youth Exchange?

The Rotary Youth Exchange is a 50-year-old Rotary program that creates an opportunity for young people to make new friends and experience different cultures. It promotes international understanding and friendship through the exchange of experiences and ideas. Students become global citizens by discovering another culture and learning a new language.

The Rotary Youth Exchange builds peace and understanding one young person at a time.
