

ROTARY RESOURCES

We've put together this collection of web pages to serve as a great resource in all your Rotary efforts. Scan each QR code with your mobile device and you'll go directly to each page.

Note: To properly use these QR codes, you must be logged into your myrotary.org account.

The Rotary Brand Center

Your centralized location to develop brand compliant marketing pieces, understand Rotary International brand policies and produce business cards, letterhead, club and district logos and so much more!

Rotary Service Project Center

The Service Project Center (formerly Rotary Showcase) is a dynamic and feature-rich hub for all Rotary service projects. Thousands of service projects and grant-related projects have been accomplished by many Rotary members and clubs. You can share the stories of your projects while searching what others have done for inspiration.

SCAN ME

Rotary Basics Brochure

A quick and easy guide to the basics of being a Rotary member. Who we are, How we started, What do we stand for. A nice tool to use when referencing questions from outside media outlets or non-members.

SCAN ME

The Learning Center

An incredible catalog of on-line courses you can take through Rotary. Some are very specific to your role, while others are courses designed as tools to help you lead groups, brand compliance and so much more.
