Developing
young leaders in
our community

RYLA is a three day residential high energy program for young leaders aged of 18 and 24

The program demonstrates Rotary's commitment to developing leaders: Participants are selected for their demonstrated leadership potential in scholastic, athletic and civic activities.

TODAY'S RYLARIANS: TOMORROW'S LEADERS

We aim to send RYLA participants home better equipped to face the world by developing skills, understanding and confidence during their RYLA experience.

Participants are selected and sponsored by local Rotary Clubs, there is no cost to the Rylarian or their family.

Interested applicants can contact their local Rotary club.

Businesses and other organisations are encouraged to sponsor staff members to attend, or to sponsor a young leader from their community.

Contact your local Rotary club for more information.
