

Dear Fellow District 5750 Rotarians,

We do not take due increases lightly. As costs have increased, we feel it prudent to request a District Dues increase to best serve our district.

It's been over a decade since the last adjustment in 2009, and considering the rising costs of operations and services, it's imperative for us to adapt.

Effective July 1, 2025, I motion to raise Rotary dues from \$47 to \$60 per year per member per club.

This adjustment equates to a little over a \$1 increase per month per member, a modest amount that would significantly bolster our district's ability to support clubs effectively.

These funds play a crucial role in sustaining district operations, providing essential supplies, facilitating grant funding, supporting Mid-America President Elect Training, and covering administrative expenses, among other vital functions.

By investing in our district, we ensure that Rotary remains a formidable force for positive change in our communities. Therefore, I urge your support for this motion to secure the resources necessary for our continued success and impact.

A vote will be held at our upcoming District Assembly on July 13, 2024 at E. W. Marland Mansion, 901 Monument Rd, Ponca City, OK 74604. You can vote in person, by email by July 12, 2024 to [rotary5750@gmail.com](mailto:rotary5750@gmail.com), or mail your vote to Rotary International District 5750, 2737 SW 116th St, Oklahoma City, OK 73170 in an envelope postmarked by July 8, 2024.

For voting, a club gets one elector who will get one vote per 25 members (based on January 1, 2024 numbers). You will find the District By-Laws & Manual of Procedure along with the 2024-25 Budget on our website: <https://rotary5750.org/sitepage/district-resources/>.
