

Celebrate 100 years of Fairbury Rotary

Tuesday, March 31, 2020

Bonham Theatre, 519 E St. Fairbury

6 p.m. Social with heavy hors d'oeuvres

7 p.m. Movie, "Thoroughly Modern Millie"

In this classic comedy movie from 1967, Julie Andrews and Mary Tyler Moore star as newcomers to the Big Apple in the '20s in search of exciting lives. They indeed find excitement -- though not, of course, in the form they were expecting. This zany, romantic spoof of the Roaring 20s (when Fairbury Rotary began!) has flapper lingo, silent movie intertitles, and spoofs of silent movie melodrama. The musical score won an Oscar for Best Original Music Score.
