

# World Affairs Seminar 2017

Education and Social Justice  
*Creating Change Around the World*

Dear Rotary Leader:

I hope you are considering sending students to the 2017 World Affairs Seminar, "Education and Social Justice" which will be held June 24 - 30, 2017. We have an exciting and substantive agenda featuring exceptional speakers, field trips and activities in store for those who attend.

The value of this initiative is immeasurable. Cost is \$685 with a \$100 discount (down to \$585) for international students\*. If your fee arrives before February 28, 2017 YOU GET AN ADDITIONAL \$50 DISCOUNT PER STUDENT. That covers room, food and the complete Seminar. (Transportation is not included). We encourage you to ask the students you sponsor to share at least some of the cost - be that transportation or part of their tuition.

Please check out our website: [www.worldaffairsseminar.org](http://www.worldaffairsseminar.org) All of the forms you require are available on our website as well as a 2017 Seminar Brochure and Poster.

Recently the 2018 World Affairs Seminar Theme was selected: "Innovation: Shaping the World You Will Inherit." It is not too early to think about including the World Affairs Seminar in their budget for 2018. Help us make a difference!

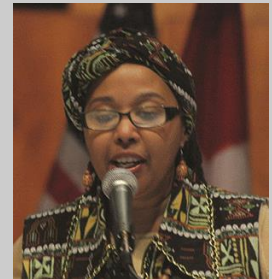

Finally: It is the Season for Giving. Even if your club is not able to fund the full cost of a student to attend this year, please consider making a contribution to the Dale Brock Scholarship Fund, which supports international participation, or make an outright gift of any amount to help us keep the cost of the World Affairs Seminar in reach.

Please contact me if you've got questions. To register e-mail [contact@worldaffairsseminar.org](mailto:contact@worldaffairsseminar.org)

Thanks for your continued support.

Yours in Rotary Service,

Thomas M. Plantenberg, Executive Director

World Affairs Seminar
