**Rotary International**

Rotary, along with our partners, has reduced polio cases by 99.9 percent worldwide since our first project to vaccinate children in the Philippines in 1979. We are extremely close to eradicating polio, but we need your help.

You can make a global impact and protect children against polio forever. Until polio is stopped in the remaining endemic areas, all countries must maintain high levels of surveillance and immunization rates to rapidly detect any importation of the poliovirus and minimize its impact.

Whether you have a few minutes or a few hours, visit us online to find out some ways to make a global impact and protect children against polio forever.

**WE ARE THIS CLOSE TO ENDING POLIO**

Now is our chance to change the world. To make sure no child is disabled by polio ever again.

Join in. Speak out. Donate. Be a part of history.
