TeamMates Celebration

DeMoine Adams visited Nebraska City last Wednesday to promote involvement in TeamMates and to thank all of the mentors for helping kids reach their fullest potential. The TeamMates program is a one-to-one school based mentoring program that pairs up adults with kids. Adults visit the kids in the school setting for 30 to 45 minute sessions with the idea of inspiring and encouraging kids and to also give them a listening ear from someone who is not a parent or a teacher. Research has indicated that such interactions empower kids and encourage them to make healthy choices. Currently, there is a waiting list for kids in need of mentors. For information about the program, contact the local schools or email ncteammates@gmail.com. Above, Adams poses with students at Hayward Elementary during his Wednesday visit. Adams visited a number of schools, spoke with the local radio station and the News-Press, was the focus of the Nebraska City Rotary program and attended a pancake supper at First Lutheran Church of Nebraska City.
