OVERALL OUTSTANDING PROJECT AWARD

Sleep in Heavenly Peace Shenandoah

It was difficult to believe that there were children in Southwest Iowa that did not have a bed.

They were sleeping on the floors, not getting a good night sleep.

We all know how important that is to development of children, their learning and their health.

Through the Sleep in Heavenly Peace project the Shenandoah Rotary Club purchased materials to build bunk beds and also the mattresses and bedding.

They expanded their project to the Red Oak area.

OUTSTANDING CLUBS

In selecting the Outstanding Clubs, there is consideration for all of the things that the clubs do.

Do they set and track goals that support the District and Rotary International?

How did they perform with regard to the Rotary Citation and the Club Profile program?

And, paramount to this year's goals, how was their Membership Growth and Foundation Giving?
