

**“When we harness our connections, deepen our relationships, and create new partnerships - our collective efforts can change lives for generations.”**

Rotary International President Jennifer Jones

Dear Rotary Club President,

We're excited to announce the Imagine Rotary Tour in Districts 5630 and 5650. By responding to a few questions in this application, we could be coming to your community this fall.

The tour is modeled after Rotary International President Jennifer Jones' Global Impact Tour. This is part of an effort to elevate the profile of Rotary. As people of action, people of purpose and people of influence, we want to engage our members, along with community leaders and supporters. Each location will include service and social activities.

This is an opportunity to showcase your projects, in the community and globally. It is also an opportunity to partner with your city, local Chamber of Commerce, economic development as well as tourism. Imagine the community of your dreams. How can Rotary take action to help create lasting change in our communities?

Your club has accomplished so much throughout the years. When we share our stories, like-minded people want to join with us. This tour provides an opportunity for others to see themselves reflected in our actions, and perhaps they will want to learn more about Rotary. We are stronger when we work together, within our clubs and our communities.

The Tour will run from September 26 to October 7. The District Public Image teams will make the selection of the “hubs” for the tour. Talk to your leadership and partners in your community and get your application submitted by August 1. Here is the application link: <https://forms.gle/udQQAKwMMgFJAKHY8>

Together we will create lasting change in our clubs, our communities and ourselves. Just Imagine!
