The goals can be found in [this document](#).

Do clubs have to be in good standing to earn the Rotary citation?

Yes. To be eligible for the Rotary Citation, clubs need to begin the year as active clubs in good standing and remain so throughout the year. For the purposes of the citation only, good standing means a club has paid each semiannual dues invoice balance in full within 60 days after the invoice is issued. If a club's payment isn't received by that date, it will receive a 60-day reminder letter from Rotary International Accounts Receivable, in which case the club will no longer be eligible.

New clubs that are chartered during the current Rotary year, that are in good financial standing and have achieved at least half of the available goals before the end of the Rotary year, are also eligible.

How can I verify that a club is in good standing?

To see whether your club is in good standing, you will need to check whether the club balance has been paid in full within the 60-day time frame.

To check your daily club balance, check the report under the **Manage tab**, then **Club Administration**, then **Club Finances**. You should have an outstanding balance of \$0.00. Invoices are due when they are posted, in mid-January and mid-July.
